NEW YORK STATE JOURNAL OF MEDICINE

Index to Volume 79

Part I

January–June 1979

AUTHORS

Abbate, Anthony, 255
Acinapura, Anthony J., 54, 217, 346, 732
Acs, Hedda, 22
Adams, Peter X., 196
Ahn, Bong H., 241
Alderman, Michael, 754
Alfonso, Antonio, 98
Alonso, Daniel R., 317
Amirdivani, Mahnoosh, 1010
Arnold, Stephen D., 922
Atallah, Marwan, 255

Badawy, Shawky, 245
Bashey, Reza I., 29
Benda, Richard L., 868
Berken, Arthur, 849
Bianchine, John Q., 245
Blackman, Marie S., 1015
Blaufox, M. Donald, 231
Bloch, Harry, 112, 271, 406
Block, Marvin A., 1025
Bloom, Marvin L., 1032
Board of Regents, State of New York, 264
Brown, Andrew, 1010
Brus, Irena, 768
Buhac, Ivo, 364
Burns, Stanley B., 788, 943

Carone, Pasquale A., 1018
Chalon, Jack, 1010
Charytan, Chaim, 913
Cherubin, Charles E., 727
Chew, Qwie T., 250
Chusid, Emanuel, 709
Ciaglia, Pasquale, 25
Cochrane, Nancy E., 39, 46, 49, 226
Committee on Public Information, 418
Cook, Albert W., 255
Cunningham, Joseph N., 196

Dallemand, Serge, 382
D'Angelo, Ralph J., 868
Deibel, Rudolf, 689
Derbyshire, Robert C., 1028
Dittmar, Klaus, 758
Djaldetti, Meir, 87
Drago, Joseph, 34
Drago, Rosario P., 34

Echeverria, Thomas, 872
Enck, Robert E., 96
Engber, Peter, 1085
Entwhistle, Joseph, 25
Epstein, Heywood, 388
Epstein, Joshua, 885

Factor, Stephen M., 260
Fall, Karen L., 226
Falvo, Cathey E., 721
Farman, Jack, 382
Fellner, Michael J., 1085
Felman, Yehudi M., 179, 697, 745, 904, 1063
Fitzgerald, James A., 796
Flanagan, Thomas D., 689
Flanigan, Joan M., 721
Frater, Robert W. M., 19
Freilich, Dennis B., 916
Frieden, Julian, Ed. (Electrocardiograms of the Month), 75, 239, 361, 747, 911, 1067
Frohlich, Gary, S., 929
Fulco, John D., 865

Gafter, Uzi, 87
Galicich, Joseph H., 84
Gardner, Bernard, 98
Gates, Sherman A., 63
Gelb, Alvin M., 1080
Gerstenhaber, Brett J., 913
Getaz, E. Paul, 874
Ghazi, Ali, 384
Giannini, Margaret, J., 709
Ginzler, Ellen, 392
Gitlow, Stanley E., 1019
Glasberg, Sidney S., 241
Godwin, Frances L., 367
Grabie, Morris T., 913
Greensher, Joseph, 1058
Griffith, Ezra E. H., 90
Grosberg, Saul J., 204
Grünwald, Hans W., 1072
Gupta, Sudhir, 856

Hadas, Naftali, 204
Hankoff, Leon D., 937
Hardoon, Vincent S., 868
Harper, Alfred E., 806
Heimann, Tomas, 253
Herbert, Victor D., 278
Herman, John R., 402
Hero, Numa, III, 90
Herskowitz, Ahvie, 260
Higby, Donald J., 879
Hines, George L., 388
Hollis, William C., 357
Holyoke, Edward D., 328
Holzer, Neri J., 763
Hospital Association of New York State, 395

Institute of Food Technologists' Expert Panel on Food Safety & Nutrition, 418
Isiadinso, O. O. A., 1069

Jaffe, Leslie R., 37

Kadohama, N., 1005
Kaplan, David, 392
Karakousis, Constantine P., 328
Karayalcin, Gungor, 22
Kavey, Rae-Ellen W., 1015
Kerr, Josephine M., 367
Kestler, Otto C., 700
Khan, Rahman G., 925
Kirdani, R. Y., 1005
Kleriga, Enrique, 255
Kohn, Robert M., 238
Kousia, John W., 27
Kousseff, Boris G., 341
Kutcher, Rosalyn, 382

Lantz, John, 248
Lanzkowsky, Philip, 22, 93
Lee, Won J., 865
Lejano, Remedios, 768
Lesnick, Gerson, 211
Lessick, Mira L., 199
LeVeen, Harry H., 204
Levisohn, E. Mark, Ed. (Correlation Conferences in Radiology and Pathology), 354, 1053
Levy, Robert N., 241, 1072
Lieber, Charles S., 1142
Lin, Yen T., 19
Lippmann, Heinz I., 190
Lockwood, Robert C., 872
Loludice, Thomas A., 364
Lopez, Reynold E., 328
Lowenthal, David T., 66

SUBJECT AND DEPARTMENTAL

Abdomen: acute cholecystitis; with situs inversus, 253
Abdominal injury: first aid for school athletic emergencies [School Health], 1058
Abdominal Pain and Renal Mass [Correlation Conferences in Radiology and Pathology], 1053
Abortion and Mortality Study; Twenty-Year Study in New York State Exclusive of New York City (McLean, Cochrane, and Mattison) [Maternal Mortality Study] (Symposium), 49
Abortion: maternal mortality study; teenage pregnancy and maternal mortality in New York State, 226
Acardiac fetus: acardius myelacephalus; two monsters in triplet pregnancy, 245
Acardius Myelacephalus; Two Monsters in Triplet Pregnancy (Sanfilippo, Bianchine, Walsh, and Badawy), 245
Acromegaly: endocrinology [What's New in Specialties?], 357
Acute Cholecystitis; With Situs Inversus (Heimann and Sicular), 253
Acute leukemia, chronic lymphocytic leukemia terminating in, 1072
Acute Myeloblastic Leukemia with Polycythemia Vera; Treated with Busulfan and Phlebotomy (Dittmar), 758
Acute nonlymphocytic leukemia, therapy of; I. clinical aspects, 879
Acute nonlymphocytic leukemia, therapy of; II. biologic characteristics and prediction of response, 885
Acute Renal Failure; With Spontaneous Arteriovenous Fistula (Charytan, Grabie, and Gerstenhaber), 913
Addiction, heroin, with renal amyloidosis; amyloid fibrils in urinary sediment, 768
Addiction, narcotics, medical indices of; rise and fall in New York City, 1963–1977, 727
Adolescents, inner city, immunity among; rubella and measles, 37
Adriamycin
  soft-tissue sarcoma; trends in treatment, 328
  therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879
Advertising: October 1978 amendments; rules of the Board of Regents State of New York, Defining Unprofessional Conduct, 264
Aging: problem of "dying with dignity," 101
Air embolism: subclavian vein catheterization; part I [Recent Advances in Medicine and Surgery], 346
Alcohol-Nutrition Interaction (Lieber) [Contemporary Nutrition], 1142
Alcoholic liver disease, associated with; tuberculous peritonitis, 922
Alcoholism
  disabled physician; rehabilitation versus punishment [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1025
  effects of stress on the police officer and family, 400
AMA Surrenders to Chiropractors (Stolfi), 782
Ambrotype: early medical photography in America (1839–1883) [History of Medicine], 788
Amenorrhea: endocrinology [What's New in Specialties?], 357
America, early medical photography in (1839–1883) [History of Medicine], 788
America, early medical photography in (1839–1883); II. physicians and early photography [History of Medicine], 943
American, black, full-term infants, in; G-6-PD deficiency and hyperbilirubinemia, 22
American Indian, North, rock art; medical connotations [History of Medicine], 1094
Americans Studying Medicine Abroad; Six Years' Experience with Supervised Clinical Year of Training ("Fifth Pathway") (Mulvihill and Rosner), 774
Amyloid Fibrils in Urinary Sediment; Heroin Addiction with Renal Amyloidosis (Brus, Steiner, Maceda, and Lejano), 768
Amyotrophy: neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Anaerobic septicemia, post-tonsillectomy, 763
Anal sphincter: neurogenic bladder; reversal by stimulation of thoracic spinal cord, 255
Anaplastic Carcinoma of Thyroid; Radiation-Associated (Shimaoka, Getaz, and Rao), 874
Anatomy: urogenital drawings by Leonardo da Vinci [History of Medicine], 402
Anemia: vitamin E [Contemporary Nutrition], 418
Anesthesia
  annual report; 1970–1976 [Maternal Mortality Study] (Symposium), 39
  fluid therapy in pediatric urologic surgery, 34
  panoperative safeguards for carotid endarterectomy; part I [Recent Advances in Medicine and Surgery], 54
  transesophageal echocardiography; for assessing ventricular performance, 19
Aneurysm, false, of ascending aorta, 388
Aneurysm, membranous septum, mitral valve duplication associated with; embryogenesis of atrioventricular valve duplication, 260
Aneurysms, cervical carotid; part I [Recent Advances in Medicine and Surgery], 892
Aneurysms, cervical carotid; part II [Recent Advances in Medicine and Surgery], 1042
Angiography
  hypernephroma and hypertension; observations, 865
  deep soft-tissue hemangioma of infancy; Kasabach-Merritt syndrome, 373
Annual Report; 1970–1976 (McLean, Mattison, and Cochrane) [Maternal Mortality Study] (Symposium), 39
Anorectal intercourse: asymptomatic male gonorrhea in military personnel, 27
Anorexia Nervosa (Lucas) [Contemporary Nutrition], 962
Antibiotics: Rocky Mountain spotted fever; epidemiologic and clinical features [Public Health News], 64
Antibody, cytophilic, and cancer therapy; review and postulate, 849
Anticoagulant therapy: thromboembolic aspects of myocardial infarction, 317
Anticoagulants, chronic use of; psychosocial adaptation, 90
Antigen: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Antipsychotic drugs: mental retardation; behavior problems and psychotropic drugs, 709
Antiviral Agents; Prophylactic and Therapeutic (Tamm), 1001
Anuria: acute renal failure; with spontaneous arteriovenous fistula, 913
Aorta, ascending, false aneurysm of, 388
Aortic Valve Replacement; Apparent Superiority of Potassium Plus Hypothermia Arrest Over Hypothermia Arrest Alone (Moggio, Reed, Trehan, Cunningham, and Adams), 196
Aortic valvular disease, mitral and, in elderly, 378
Appendiceal carcinoid, atypical, 98
Art, rock, North American Indian; medical connotations [History of Medicine], 1094
Art: urogenital drawings by Leonardo da Vinci [History of Medicine], 402
Arterial hypertension: panoperative safeguards for carotid endarterectomy; part II [Recent Advances in Medicine and Surgery], 217
Arteriography: panoperative safeguards for carotid endarterectomy; part II [Recent Advances in Medicine and Surgery], 217
Arteriosclerosis: vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Arteriovenous fistula, spontaneous, with; acute renal failure, 913
Arthritis, *Candida*, secondary to repeated intra-articular corticosteroids, 392
Arthritis: sexual problems of geriatric patient [Geriatrics], 752
Arthropod-Borne Viral Encephalitides; Illusion or Reality in Suffolk County? [Public Health News], 902
Ascites: tuberculous peritonitis; associated with alcoholic liver

disease, 922
Asphyxia: vasa previa; diagnosis and management, 772
Assistant, clinical, in private psychiatry; alternative for New York, 716
Assurance program, child health; study in duplication and fragmentation, 721
Asymptomatic Male Gonorrhea in Military Personnel (Klousia and Tanowitz), 27
Atheroma: panoperative safeguards for carotid endarterectomy; part II [Recent Advances in Medicine and Surgery], 217
Athletic emergencies, school, first aid for [School Health], 1058
Arterioventricular valve duplication, embryogenesis of; mitral valve duplication associated with membranous septum aneurysm, 260
Atrium, left, communication of coronary sinus with, 1077
Atypical Appendiceal Carcinoid (Stillman, Alfonso, Nicastri, and Gardner), 98
Audiologic abnormalities: cleft palate patient; otologic management, 333
Autonomic dysfunction: neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Azotemia: uremic ileus; uremia presenting colonic obstruction, 248

B cells: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Bacteria
food-borne disease I [Contemporary Nutrition], 146
foodborne infections; extensive, underestimated, poorly reported public health problem [Public Health News], 359
Bacterial infections: vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Baillou, Guillaume de, M.D. (1538–1616); portrait of a sixteenth-century Renaissance pathfinder [History of Medicine], 406
Barrel chests: transesophageal echocardiography; for assessing ventricular performance, 19
Behavior problems and psychotropic drugs; mental retardation, 709
Benzoic acid: questions and answers [Drug Information], 77
Biliary tree: percutaneous transhepatic cholangiography and "skinny" needle; tentative appraisal, 204
Biochemical analyses and evidence for its neoplastic nature; cardiac myxoma, 29
Biologic characteristics and prediction of response, II.; therapy of acute nonlymphocytic leukemia, 885
Biologic considerations, management and; multiple colorectal carcinomas, 1088
Birth control pills: primary malignant liver tumors; association with oral contraceptives, 321
Birth defects
cleft palate patient; otologic management, 333
genetic health care; community approach to delivery by demonstration satellite clinic project, 199
Black American full-term infants, in; G-6-PD deficiency and hyperbilirubinemia, 22
Bladder, neurogenic; reversal by stimulation of thoracic spinal cord, 255
Blake, William (1757–1827), poet, and Charles Dickens (1812–1870), novelist; defenders of human welfare [History of Medicine], 112
Blank, Doctor, the secret life of, 933
Blastogenesis: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Bleeding
chronic use of anticoagulants; psychosocial adaptation, 90
vasa previa; diagnosis and management, 772
Blood: panoperative safeguards for carotid endarterectomy [Recent Advances in Medicine and Surgery], 54
Blood pressure, high, treatment facilities; survey in greater New York area [Hypertension: Current Concepts], 754
Blood pressure normalization, improving; follow-up of hypertension screening and methodologies [Hypertension: Current Concepts], 231
Blood pressure: hypernephroma and hypertension; observations, 865
Blood sugar: hemoglobin A_{1c} as measure of diabetic control [What's New in Specialties?], 63
Blood vessels: subclavian vein catheterization; part II [Recent Advances in Medicine and Surgery], 732
Bloodletting; Its Beginning and End (Bloch) [History of Medicine], 271
Board for Professional Medical Conduct: unscrupulous physician; our success and failure [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1021
Board of Regents State of New York, rules of the, defining unprofessional conduct; October 1978 amendments, 264
Bone: calcified thigh mass [Correlation Conferences in Radiology and Pathology], 354
Bone marrow: therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879
Bony defect: spondylolysis and spondylolisthesis; updated review, 700
Bowel: endometriosis with ureteric involvement; preoperative sonographic evaluation, 382
Breast cancer, surgical treatment of [Recent Advances in Medicine and Surgery], 211
British State Medicine; Crisis in Confidentiality and Overmanning (Walshe-Brennan), 396
Brontë, Charlotte; death of elderly primigravida in early pregnancy [History of Medicine], 796
Bullous pemphigoid, localized, resembling fixed-drug eruption, 1085
Bush, James Mill: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Busulfan and phlebotomy, treated with; acute myeloblastic leukemia with polycythemia vera, 758
Butyrophenone: mental retardation; behavior problems and psychotropic drugs, 709

Cabinet card: early medical photography in America (1839–1883) [History of Medicine], 788
Calcified Thigh Mass [Correlation Conferences in Radiology and Pathology], 354
Calotypes: early medical photography in America (1839–1883) [History of Medicine], 788
Camera: early medical photography in America (1839–1883) [History of Medicine], 788
Cancer, breast, surgical treatment of [Recent Advances in Medicine and Surgery], 211
Cancer, lymphocyte functions in [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Cancer, prostate, metabolic pattern and possible mechanisms for its action in; estramustine, 1005
Cancer therapy, cytophilic antibody and; review and postulate, 849
Cancer
anaplastic carcinoma of thyroid; radiation-associated, 874
multiple colorectal carcinomas; management and biologic considerations, 1088
questions and answers [Drug Information], 77
Candida Arthritis Secondary to Repeated Intra-Articular Corticosteroids (Ginzler, Meisel, Munters, and Kaplan), 392
Carcinogenesis: primary malignant liver tumors; association with oral contraceptives, 321
Carcinoid, atypical appendiceal, 98
Carcinoma, anaplastic, of thyroid; radiation-associated, 874
Carcinomas, multiple colorectal; management and biologic considerations, 1088
Cardiac Myxoma; Biochemical Analyses and Evidence for its Neoplastic Nature (Bashey and Nochumson), 29
Cardiology, pediatric, referral patterns in, 1015
Cardiology: transesophageal echocardiography; for assessing

ventricular performance, 19
Cardioplegia: aortic valve replacement, apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
Carotid aneurysms, cervical; part I [Recent Advances in Medicine and Surgery], 892
Carotid aneurysms, cervical; part II [Recent Advances in Medicine and Surgery], 1042
Carotid endarterectomy, panoperative safeguards for; part I [Recent Advances in Medicine and Surgery], 54
Carotid endarterectomy, panoperative safeguards for; part II [Recent Advances in Medicine and Surgery], 217
Cartes de visite: early medical photography in America (1839–1883) [History of Medicine], 788
Catheter: Teflon pacemaker introducer embolization; technique of successful retrieval, 925
Catheterization, subclavian vein; part I [Recent Advances in Medicine and Surgery], 346
Catheterization, subclavian vein; part II [Recent Advances in Medicine and Surgery], 732
Cell-mediated immunity: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Cells: therapy of acute nonlymphocytic leukemia; II. biologic characteristics and prediction of response, 885
Cellular lysis, complement-mediated factors in [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 854
Central Nervous System Infections; Etiologic and Epidemiologic Observations in New York State, 1976–1977 (Deibel and Flanagan), 689
Cerebrovascular insufficiency: panoperative safeguards for carotid endarterectomy; part I [Recent Advances in Medicine and Surgery], 54
Cervical Carotid Aneurysms; Part I (Schechter) [Recent Advances in Medicine and Surgery], 892
Cervical Carotid Aneurysms; Part II (Schechter) [Recent Advances in Medicine and Surgery], 1042
Cervical infection: herpes simplex virus infections, 179
Charles Dickens (1757–1827), novelist, William Blake (1757–1827), poet, and; defenders of human welfare [History of Medicine], 112
Charlotte Brontë; death of elderly primigravida in early pregnancy [History of Medicine], 796
Chemotherapy
acute myeloblastic leukemia with polycythemia vera; treated with busulfan and phlebotomy, 758
soft-tissue sarcoma; trends in treatment, 328
therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879
therapy of acute nonlymphocytic leukemia; II. biologic characteristics and prediction of response, 885
Chest pain
prolapsed mitral valve syndrome [What's New in Specialties?], 238
serum enzyme levels after traumatic orthopedic fractures, 868
Chiba needle: percutaneous transhepatic cholangiography and "skinny" needle; tentative appraisal, 204
Child Health Assurance Program; Study in Duplication and Fragmentation (Falvo and Flanigan), 721
Children, infants and, gonococcal infections in; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Children's stomachs, foreign body in, application in removal of; pediatric fiberoptic instruments, 384
Chiropractors, AMA surrenders to, 782
Chlamydia trachomatis: nongonococcal urethritis [Sexually Transmitted Diseases], 904
Chlorpromazine
mental retardation; behavior problems and psychotropic drugs, 709
questions and answers [Drug Information], 77
Cholangiography, percutaneous transhepatic, and "skinny" needle; tentative appraisal, 204
Cholecystitis, acute; with situs inversus, 253
Cholestatic jaundice: erythromycin estolate-induced hepatitis; ultrastructural study of liver, 87
Chondroblastic osteosarcoma: calcified thigh mass [Correlation Conferences in Radiology and Pathology], 354
Chromosome: trisomy 21 Down's syndrome; in three siblings, 929
Chronic Lymphocytic Leukemia Terminating in Acute Leukemia (Zarrabi, Rosner, Grünwald, and Levy), 1072
Chronic Obstructive Pulmonary Disease (Williams), 919
Chronic Use of Anticoagulants; Psychosocial Adaptation (Griffith and Hero), 90
Chylothorax: pulmonary retroperitoneal lymphangiomyomatosis; clinical and radiographic features, 250
Ciguatera Fish Poisoning (Gelb and Mildvan), 1080
Circulating histiocytes, splenic rupture in infectious mononucleosis with, 96
Cirrhosis: L-dopa and hepatic encephalopathy, 364
City, inner, adolescents, immunity among; rubella and measles, 37
Claudication: vitamin E [Contemporary Nutrition], 418
Cleft lip: cleft palate patient; otologic management, 333
Cleft Palate Patient; Otologic Management (Mattucci), 333
Clinic: child health assurance program; study in duplication and fragmentation, 721
Clinic project, demonstration satellite, community approach to delivery by; genetic health care, 199
Clinical and radiographic features; pulmonary and retroperitoneal lymphangiomyomatosis, 250
Clinical aspects, I.; therapy of acute nonlymphocytic leukemia, 879
Clinical Assistant in Private Psychiatry; Alternative for New York (Morphy and Platman), 716
Clinical Clues (Series), 16, 21, 24, 36, 65, 74, 76, 100, 106
Clinical Pharmacology of Vasodilators (Lowenthal) [Hypertension: Current Concepts], 66
Clinical year of training ("Fifth Pathway"), supervised, six years' experience with; Americans studying medicine abroad, 774
Clostridium perfringens: food-borne disease I [Contemporary Nutrition], 146
Cold injuries: first aid for school athletic emergencies [School Health], 1058
Collodion: early medical photography in America (1839–1883) [History of Medicine], 788
Colonic obstruction, uremia presenting; uremic ileus, 248
Colorectal carcinomas, multiple; management and biologic considerations, 1088
Coma: L-dopa and hepatic encephalopathy, 364
Communication of Coronary Sinus with Left Atrium (Sutton, Miranda, Sherman, and Rosenberg), 1077
Community approach to delivery by demonstration satellite clinic project; genetic health care, 199
Community hospital, experience at a; lumbar spinal stenosis, 872
Competence, physician; to maintain or to regulate? [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1032
Competence, physician; what is the problem? what are the answers? [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1028
Complement-Mediated Factors in Cellular Lysis (Polley) [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 854
Conduct, unprofessional, defining rules of the Board of Regents State of New York; October 1978 amendments, 264
Congenital abnormalities: fluid therapy in pediatric urologic surgery, 34
Congenital anomalies: mitral valve duplication associated with membranous septum aneurysm; embryogenesis of atrioventricular valve duplication, 260
Congestive heart failure: questions and answers [Drug Information], 77

Conjunctivitis: gonococcal infections in infants and children; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Contemporary Nutrition (Series), 146, 278, 418, 806, 962, 1142
Continuing Medical Education (Nordlicht), 931
Continuing medical education: physician competence; to maintain or to regulate? [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1032
Contraceptives, oral, association with; primary malignant liver tumors, 321
Contusions: first aid for school athletic emergencies [School Health], 1058
Coronary care: thromboembolic aspects of myocardial infarction, 317
Coronary perfusion: aortic valve replacement; apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
Coronary sinus with left atrium, communication of, 1077
Correlation Conferences in Radiology and Pathology (Series), 354, 1053
Corticosteroids, intra-articular, repeated, *Candida* arthritis secondary to, 392
Cranberry juice: questions and answers [Drug Information], 77
Craniofacial resection, treatment by combined; esthesioneuroblastoma, 84
Cushing's syndrome: endocrinology [What's New in Specialties?], 357
Cyst: subdural empyema secondary to ventriculo-peritoneal shunt, 375
Cytogenics: trisomy 21 Down's syndrome; in three siblings, 929
Cytophilic Antibody and Cancer Therapy; Review and Postulate (Berken), 849
Cytosine arabinoside: therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879

da Vinci, Leonardo, urogenital drawings by [History of Medicine], 402
Daguerreotype: early medical photography in America (1839–1883) [History of Medicine], 788
Daunorubicin: therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879
Death of Elderly Primigravida in Early Pregnancy; Charlotte Brontë (Fitzgerald) [History of Medicine], 796
Deaths, maternal, due to rupture of uterus [Maternal Mortality Study] (Symposium), 46
Deep Soft-Tissue Hemangioma of Infancy; Kasabach-Merritt Syndrome (Wind and Pillari), 373
Defenders of Human Welfare; William Blake (1757–1827), Poet, and Charles Dickens (1812–1870), Novelist (Bloch) [History of Medicine), 112
Depression
  chronic use of anticoagulants; psychosocial adaptation, 90
  sexual problems of geriatric patient [Geriatrics], 752
Dextrocardia: acute cholecystitis; with situs inversus, 253
Diabetes mellitus
  sexual problems of geriatric patient [Geriatrics], 752
  vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Diabetic control, measure of, hemoglobin A_{1c} as [What's New in Specialties?], 63
Diabetic lower extremity, neurologic problems of [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Diarrhea: questions and answers [Drug Information], 77
Diazoxide: clinical pharmacology of vasodilators [Hypertension: Current Concepts], 66
Dickens, Charles (1812–1870), novelist, William Blake (1757–1827), poet, and: defenders of human welfare [History of Medicine], 112
Diet: anorexia nervosa [Contemporary Nutrition], 962
Dietary allowances, recommended, uses and misuses of [Contemporary Nutrition], 806
Dilator, esophageal; improved screw type, 25
Disabled Physician; Rehabilitation versus Punishment (Block) [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1025
Disease, food-borne, I [Contemporary Nutrition], 146
Disturbed behavior: mental retardation; behavior problems and psychotropic drugs, 709
Diuretics: questions and answers [Drug Information], 77
Dobutamine: questions and answers [Drug Information], 77
Doctor Blank, the secret life of, 933
Dopamine: questions and answers [Drug Information], 77
Down's syndrome, trisomy 21; in three siblings, 929
Doxycycline: questions and answers [Drug Information], 77
Draper, John William: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Drawings, urogenital, by Leonardo da Vinci [History of Medicine], 402
Drug dependency: disabled physician; rehabilitation versus punishment [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1025
Drug eruption, fixed-, localized bullous pemphigoid resembling, 1085
Drug Information (Series), 77
Drugs, psychotropic, behavior problems and; mental retardation, 709
Dry-plate process: early medical photography in America (1839–1883) [History of Medicine], 788
"Dying with dignity," problem of, 101
Dyskinesia, tardive, 193
Dystrophy: vitamin E [Contemporary Nutrition], 418

E, vitamin [Contemporary Nutrition], 418
Ear: cleft palate patient; otologic management, 333
Early Medical Photography in America (1839–1883) (Burns) [History of Medicine], 788
Early Medical Photography in America (1839–1883); II. Physicians and Early Photography (Burns) [History of Medicine], 943
Echocardiography, transesophageal; for assessing ventricular performance, 19
Eclampsia: annual report; 1970–1976 [Maternal Mortality Study] (Symposium), 39
Education: Americans studying medicine abroad; six years' experience with supervised clinical year of training ("Fifth Pathway"), 774
Education, continuing medical, 931
Effects of Stress on the Police Officer and Family (Nordlicht), 400
Ejaculation, inhibition of, at orgasm, 725
Elderly, mitral and aortic valvular disease in, 378
Elderly primigravida, death of, in early pregnancy; Charlotte Brontë [History of Medicine], 796
Electrocardiogram: serum enzyme levels after traumatic orthopedic fractures, 868
Electrocardiograms of the Month (Series), 75, 239, 361, 747, 911, 1067
Electrolyte disturbances: uremic ileus; uremia presenting colonic obstruction, 248
Electrolyte: fluid therapy in pediatric urologic surgery, 34
Electromyography: neurogenic bladder; reversal by stimulation of thoracic spinal cord, 255
Embolism
  annual report; 1970–1976 [Maternal Mortality Study] (Symposium), 39
  subclavian vein catheterization; part I [Recent Advances in Medicine and Surgery], 346
Embolization, Teflon pacemaker introducer; technique of successful retrieval, 925
Embryogenesis of atrioventricular valve duplication; mitral valve duplication associated with membranous septum aneurysm, 260

Emergencies, school athletic, first aid for [School Health], 1058
Empyema, subdural, secondary to ventriculo-peritoneal shunt, 375
Encephalitides, arthropod-borne viral; illusion or reality in Suffolk County? [Public Health News], 902
Encephalopathy, hepatic, L-dopa and, 364
Endarterectomy, carotid, panoperative safeguards for; part I [Recent Advances in Medicine and Surgery], 54
Endarterectomy, carotid, panoperative safeguards for; part II [Recent Advances in Medicine and Surgery], 217
Endocarditis: medical indices of narcotics addiction; rise and fall in New York City, 1963–1977, 727
Endocrinology (Hollis) [What's New in Specialties?], 357
Endometriosis with Ureteric Involvement; Preoperative Sonographic Evaluation (Dallemand, Kutcher, McPherson, Schneider, and Farman), 382
Endoscopy: pediatric fiberoptic instruments; application in removal of foreign body in children's stomachs, 384
Enterovirus: central nervous system infections; etiologic and epidemiologic observations, 1976–1977, 689
Enzyme levels, serum, after traumatic orthopedic fractures, 868
Epidemiologic and clinical features; Rocky Mountain spotted fever [Public Health News], 64
Epidemiologic Approach to Control of Sexually Transmitted Disease (Felman and Nikitas) [Sexually Transmitted Disease], 745
Epidemiologic considerations, medical and; gonococcal infections in infants and children [Sexually Transmitted Diseases], 1063
Epidemiologic, etiologic and, observations in New York State, 1976–1977; central nervous system infections, 689
Epidemiology: herpes simplex virus infections, 179
Eruption, fixed-drug, localized bullous pemphigoid resembling, 1085
Erythrocyte: G-6-PD deficiency and hyperbilirubinemia; in black American full-term infants, 22
Erythrocytes: raised oxygen tension in mice; effect of prolonged exposure on hemopoietic system, 1010
Erythromycin Estolate-Induced Hepatitis; Ultrastructural Study of Liver (Gafter, Mandel, Weiss, and Djaldetti), 87
Esophageal Dilator; Improved Screw Type (Ciaglia and Entwhistle), 25
Esthesioneuroblastoma; Treatment by Combined Craniofacial Resection (Shah and Galicich), 84
Estolate-, erythromycin, induced hepatitis; ultrastructural study of liver, 87
Estramustine; Metabolic Pattern and Possible Mechanisms for its Action in Prostate Cancer (Kadohama, Kirdani, Madajewicz, Murphy, and Sandberg), 1005
Ethanol: alcohol-nutrition interaction [Contemporary Nutrition], 1142
Ethmoid mucosa: esthesioneuroblastoma; treatment by combined craniofacial resection, 84
Etiologic and epidemiologic observations in New York State, 1976–1977; central nervous system infections, 689
Euthanasia: problem of "dying with dignity," 101
Extremity, lower, diabetic, neurologic problems of [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Eye discharges: gonococcal infections in infants and children; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Eye: ocular melanocytosis and malignant melanoma, 916
Eye trauma: first aid for school athletic emergencies [School Health], 1058

False Aneurysm of Ascending Aorta (Hines, Epstein, and Mohtashemi), 388
Family, police officer and, effects of stress on the, 400
Fats: vitamin E [Contemporary Nutrition], 418
Femur: calcified thigh mass [Correlation Conferences in Radiology and Pathology], 354
Fertility
maternal mortality study; teenage pregnancy and maternal mortality in New York State, 226
North American Indian rock art; medical connotations [History of Medicine], 1094
Fetal death: maternal mortality study; teenage pregnancy and maternal mortality in New York State, 226
Fetus: acardius myelacephalus; two monsters in triplet pregnancy, 245
Fever: mucocutaneous lymph-node syndrome in New York State, 1082
Fever, Rocky Mountain spotted; epidemiologic and clinical features [Public Health News], 64
Fiberoptic instruments, pediatric; application in removal of foreign body in children's stomachs, 384
Fibrils, amyloid, in urinary sediment; heroin addiction with renal amyloidosis, 768
("Fifth Pathway"), six years' experience with supervised clinical year of training; Americans studying medicine abroad, 774
Fingers: North American Indian rock art; medical connotations [History of Medicine], 1094
First Aid for School Athletic Emergencies (Greensher, Mofenson, and Merlis) [School Health], 1058
Fish poisoning, ciguatera, 1080
Fistula, arteriovenous, spontaneous, with; acute renal failure, 913
Flavius Josephus; Suicide and Transition (Hankoff) [Medical Arts and Letters], 937
Fluid Therapy in Pediatric Urologic Surgery (Drago and Drago), 34
Food intoxication: food-borne disease I [Contemporary Nutrition], 146
Food poisoning
food-borne disease I [Contemporary Nutrition], 146
foodborne infections; extensive, underestimated, poorly reported public health problem [Public Health News], 359
Food-Borne Disease I (Zottola) [Contemporary Nutrition], 146
Foodborne Infections; Extensive, Underestimated, Poorly Reported Public Health Problem [Public Health News], 359
Foot
neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Foreign body in children's stomachs, application in removal of; pediatric fiberoptic instruments, 384
Foreign medical schools: Americans studying medicine abroad; six years' experience with supervised clinical year of training ("Fifth Pathway"), 774
Fractures: first aid for school athletic emergencies [School Health], 1058
Fractures, traumatic orthopedic, serum enzyme levels after, 868
Frontier Genetics; Model for Providing Genetic Services in Urban New York (Kousseff), 341
Fundamentals of Stroke Care (Book Review) [Geriatrics], 73

G-6-PD Deficiency and Hyperbilirubinemia; In Black American Full-term Infants (Karayalcin, Acs, and Lanzkowsky), 22
Gastroenterology: ciguatera fish poisoning, 1080
Genetic Health Care; Community Approach to Delivery by Demonstration Satellite Clinic Project (Lessick and Townes), 199
Genetics, frontier; model for providing genetic services in urban New York, 341
Genetics
antiviral agents; prophylactic and therapeutic, 1001
trisomy 21 Down's syndrome; in three siblings, 929
Geriatric medicine, physician's assistant in [Geriatrics], 1069
Geriatric patient, sexual problems of [Geriatrics], 752
Geriatrics (Series), 73, 752, 1069
Gingivostomatitis: herpes simplex virus infections, 179
Glaucoma: questions and answers [Drug Information], 77
Glycopeptide: cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29
Glycoprotein: cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29

Glycosaminoglycans: cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29
Goddard, Paul Beck: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Gonadotropin: anorexia nervosa [Contemporary Nutrition], 962
Gonoccocal Infections in Infants and Children; Medical and Epidemiologic Considerations (Felman and Nikitas) [Sexually Transmitted Diseases], 1063
Gonorrhea, asymptomatic male, in military personnel, 27
Gonorrhea
  gonococcal infections in infants and children; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
  nongonococcal urethritis [Sexually Transmitted Diseases], 904
  penicillinase-producing *Neisseria gonorrhoeae;* New York City, 1976–1978, 697
Gout: questions and answers [Drug Information], 77
Granulocyte: therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879
Guidelines for Individual Hospitals and Medical Staffs; Determination of Medical Staff Membership and Hospital Privileges (Medical Society of the State of New York and Hospital Association of New York State), 395
Guillaume de Baillou, M.D. (1538–1616); Portrait of a Sixteenth-Century Renaissance Pathfinder (Bloch) [History of Medicine], 406
Gynecology: annual report; 1970–1976 [Maternal Mortality Study] (Symposium), 39

Hallucinogenic drugs: North American Indian rock art; medical connotations [History of Medicine], 1094
Haloperidol: mental retardation; behavior problems and psychotropic drugs, 709
Head: anaplastic carcinoma of thyroid; radiation-associated, 874
Head trauma: first aid for school athletic emergencies [School Health], 1058
Health assurance program, child; study in duplication and fragmentation, 721
Health care, genetic; community approach to delivery by demonstration satellite clinic project, 199
Health provider
  child health assurance program; study in duplication and fragmentation, 721
  clinical assistant in private psychiatry; alternative for New York, 716
Hearing loss: cleft palate patient; otologic management, 333
Heart
  communication of coronary sinus with left atrium, 1077
  false aneurysm of ascending aorta, 388
  mitral and aortic valvular disease in elderly, 378
  thromboembolic aspects of myocardial infarction, 317
  prolapsed mitral valve syndrome [What's New in Specialties?], 238
Heart conditions: vitamin E [Contemporary Nutrition], 418
Heart disease: sexual problems of geriatric patient [Geriatrics], 752
Heart failure: questions and answers [Drug Information], 77
Heart murmurs: referral patterns in pediatric cardiology, 1015
Heart-related disorders: first aid for school athletic emergencies [School Health], 1058
Hemangioma, deep soft-tissue, of infancy; Kasabach-Merritt syndrome, 373
Hemoglobin A_{1c} as Measure of Diabetic Control (Gates) [What's New in Specialties?], 63
Hemolytic anemia: vitamin E [Contemporary Nutrition], 418
Hemopoietic system, effect of prolonged exposure on; raised oxygen tension in mice, 1010
Hemorrhage: deep soft-tissue hemangioma of infancy; Kasabach-Merritt syndrome, 373
Hepatic encephalopathy, L-dopa and, 364
Hepatitis, erythromycin estolate-induced; ultrastructural study of liver, 87
Hepatitis: medical indices of narcotics addiction; rise and fall in New York City, 1963–1977, 727
Hepatocellular carcinoma: primary malignant liver tumors; associated with oral contraceptives, 321
Heroin addiction with renal amyloidosis; amyloid fibrils in urinary sediment, 768
Herpes Simplex Virus Infections (Felman and Sonnabend), 179
High Blood Pressure Treatment Facilities; Survey in Greater New York Area (Alderman, Rafter, Samet, Thomson, and Wassertheil-Smoller) [Hypertension: Current Concepts], 754
Hip: serum enzyme levels after traumatic orthopedic fractures, 868
Histiocytes, circulating, splenic rupture in infectious mononucleosis with, 96
History of Medicine (Series), 108, 271, 402, 788, 943, 1094
Holmes, Oliver Wendell: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Homosexuality: asymptomatic male gonorrhea in military personnel, 27
Hospital, community, experience at a; lumbar spinal stenosis, 872
Hospitals and medical staffs, guidelines for; determination of medical staff membership and hospital privileges, 395
Human welfare, defenders of; William Blake (1757–1827), poet, and Charles Dickens (1812–1870), novelist [History of Medicine], 112
Hunchbacked figures: North American Indian rock art; medical connotations [History of Medicine], 1094
Hydralazine: clinical pharmacology of vasodilators [Hypertension: Current Concepts], 66
Hyperbaric oxygenation: raised oxygen tension in mice; effect of prolonged exposure on hemopoietic system, 1010
Hyperbilirubinemia, G-6-PD deficiency and; in black American full-term infants, 22
Hypercarbia: panoperative safeguards for carotid endarterectomy; part II [Recent Advances in Medicine and Surgery], 217
Hypernephroma and Hypertension; Observations (Pillari, Fulco, and Lee), 865
Hyperoxia: raised oxygen tension in mice; effect of prolonged exposure on hemopoietic system, 1010
Hypertension: Current Concepts (Series), 66, 231, 754
Hypertension, hypernephroma and; observations, 865
Hypertension
  annual report; 1970–1976 [Maternal Mortality Study] (Symposium), 39
  questions and answers [Drug Information], 77
Hypertensive states of pregnancy: maternal mortality study; teenage pregnancy and maternal mortality in New York State, 226
Hyperuricemia: questions and answers [Drug Information], 77
Hypothalamic factors: endocrinology [What's New in Specialties?], 357
Hypothermia arrest, potassium plus, apparent superiority of, over hypothermia arrest alone; aortic valve replacement, 196
Hypoventilation: pickwickian syndrome; combined approach to effective management, 367

Iatrogenic embolization: Teflon pacemaker introducer embolization; technique of successful retrieval, 925
Identifying badge: October 1978 amendments; rules of the Board of Regents State of New York, Defining Unprofessional Conduct, 264
Ileus, uremic; uremia presenting colonic obstruction, 248
Iliac vessels: acute renal failure; with spontaneous arteriovenous fistula, 913
Immunity among inner city adolescents; rubella and measles, 37
Immunoblastic Lymphadenopathy; High Serum Toxoplasma Titer (Narasimhan, Ahn, Levy, and Glasberg), 241
Immunoglobulin: cytophilic antibody and cancer therapy; review

and postulate, 849
Immunologically-Activated Processes in Cell Killing and Cancer (Symposium), 854
Immunology
complement-mediated factors in cellular lysis [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 854
lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Immunotherapy: cytophilic antibody and cancer therapy; review and postulate, 849
Impotence: sexual problems of geriatric patient [Geriatrics], 752
Improving Blood Pressure Normalization; Follow-up of Hypertension Screening and Methodologies (Blaufox and Wassertheil-Smoller) [Hypertension: Current Concepts], 231
Indian, North American, rock art; medical connotations [History of Medicine], 1094
Infancy, deep soft-tissue hemangioma of; Kasabach-Merritt syndrome, 373
Infants and children, gonococcal infections in; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Infants, black American full-term, in; G-6-PD deficiency and hyperbilirubinemia, 22
Infarction: aortic valve replacement; apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
Infarction, myocardial, thromboembolic aspects of, 317
Infection: post-tonsillectomy anaerobic septicemia, 763
Infections, central nervous system; etiologic and epidemiologic observations in New York State, 1976–1977, 689
Infections, gonococcal, in infants and children; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Infections
fluid therapy in pediatric urologic surgery, 34
vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Infections, foodborne; extensive, underestimated, poorly reported public health problem [Public Health News], 359
Infections, virus, herpes simplex, 179
Infectious diseases: epidemiologic approach to control of sexually transmitted disease [Sexually Transmitted Disease], 745
Infectious mononucleosis, splenic rupture in, with circulating histiocytes, 96
Influenza: central nervous system infections; etiologic and epidemiologic observations in New York State, 1976–1977, 689
Inheritance: trisomy 21 Down's syndrome; in three siblings, 929
Inhibition of Ejaculation at Orgasm (Nininger), 725
Inner city adolescents, immunity among; rubella and measles, 37
Instruments, pediatric fiberoptic; application in removal of foreign body in children's stomachs, 384
Insulin: neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Interferons: antiviral agents; prophylactic and therapeutic, 1001
Internal bleeding: chronic use of anticoagulants; psychosocial adaptation, 90
Intra-articular corticosteroids, repeated, *Candida* arthritis secondary to, 392
Intrarenal Neuroblastoma Mimicking Wilms' Tumor (Shende, Wind, and Lanzkowsky), 93
Intravenous urography: hypernephroma and hypertension; observations, 865
Introducer, Teflon pacemaker, embolization; technique of successful retrieval, 925
Introduction (Carone and Nagy) [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1018
Inversus, situs, with; acute cholecystitis, 253
Ischemia: panoperative safeguards for carotid endarterectomy; part I [Recent Advances in Medicine and Surgery], 54
Isomers: vitamin E [Contemporary Nutrition], 418

James Mill Bush: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Jaundice
erythromycin estolate-induced hepatitis; ultrastructural study of liver, 87
G-6-PD deficiency and hyperbilirubinemia; in black American full-term infants, 22
John Locke: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
John Towler: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
John William Draper: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Josephus, Flavius; suicide and transition [Medical Arts and Letters], 937

Kasabach-Merritt syndrome; deep soft-tissue hemangioma of infancy, 373

L-Dopa and Hepatic Encephalopathy (Loludice, Tulman, and Buhac), 364
Lacerations: first aid for school athletic emergencies [School Health], 1058
Lactic dehydrogenase: serum enzyme levels after traumatic orthopedic fractures, 868
Left ventricular function: aortic valve replacement; apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
Leg: localized bullous pemphigoid resembling fixed-drug eruption, 1085
Leonardo da Vinci, urogenital drawings by [History of Medicine], 402
Lesion
atypical appendiceal carcinoid, 98
cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29
false aneurysm of ascending aorta, 388
spondylolysis and spondylolisthesis; updated review, 700
Lesions
cerical carotid aneurysms; part II [Recent Advances in Medicine and Surgery], 1042
herpes simplex virus infections, 179
localized bullous pemphigoid resembling fixed-drug eruption, 1085
mitral valve duplication associated with membranous septum aneurysm; embryogenesis of atrioventricular valve duplication, 260
multiple colorectal carcinomas; management and biologic considerations, 1088
surgical treatment of breast cancer [Recent Advances in Medicine and Surgery], 211
Leukemia, acute myeloblastic, with polycythemia vera; treated with busulfan and phlebotomy, 758
Leukemia, acute nonlymphocytic, therapy of; I. clinical aspects, 879
Leukemia, acute nonlymphocytic, therapy of; II. biologic characteristics and prediction of response, 885
Leukemia, chronic lymphocytic, terminating in acute leukemia, 1072
Leukocytes
cytophilic antibody and cancer therapy; review and postulate, 849
raised oxygen tension in mice; effect of prolonged exposure on hemopoietic system, 1010
Levamisole: questions and answers [Drug Information], 77
Life, secret, of Doctor Blank, the, 933
Limbs: acardius myelacephalus; two monsters in triplet preg-

nancy, 245
Lithium carbonate: questions and answers [Drug Information], 77
Liver
alcohol-nutrition interaction [Contemporary Nutrition], 1142
L-dopa and hepatic encephalopathy, 364
Liver disease, alcoholic, associated with; tuberculous peritonitis, 922
Liver tumors, primary malignant; association with oral contraceptives, 321
Liver, ultrastructural study of; erythromycin estolate-induced hepatitis, 87
Localized Bullous Pemphigoid Resembling Fixed-Drug Eruption (Fellner and Engber), 1085
Locke, John: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Lower extremity, diabetic, neurologic problems of [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Lumbar Spinal Stenosis; Experience at a Community Hospital (Echeverria and Lockwood), 872
Lung
chronic obstructive pulmonary disease, 919
raised oxygen tension in mice; effect of prolonged exposure on hemopoietic system, 1010
Lung disease: pulmonary and retroperitoneal lymphangiomyomatosis; clinical and radiographic features, 250
Lymphadenopathy, immunoblastic; high serum toxoplasma titer, 241
Lymphangiomyomatosis, pulmonary and retroperitoneal; clinical and radiographic features, 250
Lymph-node syndrome, mucocutaneous, in New York State, 1082
Lymphocyte Functions in Cancer (Gupta) [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Lymphocytic leukemia, chronic, terminating in acute leukemia, 1072
Lysis, cellular, complement-mediated factors in [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 854

Model for providing genetic services in urban New York; frontier

genetics, 341
Mönckeberg's arteriosclerosis: vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Mononucleosis, infectious, splenic rupture in, with circulating histiocytes, 96
Monsters, two, in triplet pregnancy; acardius myelacephalus, 245
Mortality study, abortion and; twenty-year study in New York State exclusive of New York City [Maternal Mortality Study] (Symposium), 49
Mortality study, maternal; teenage pregnancy and maternal mortality in New York State, 226
Mosaicism: trisomy 21 Down's syndrome; in three siblings, 929
Mosquito: arthropod-borne viral encephalitides; illusion or reality in Suffolk County? [Public Health News], 902
Mucocutaneous Lymph-Node Syndrome in New York State (Siegal), 1082
Mucopolysaccharides: cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29
Multiple Colorectal Carcinomas; Management and Biological Considerations (Weinberger), 1088
Multiple sclerosis: neurogenic bladder; reversal by stimulation of thoracic spinal cord, 255
Myelacephalus, acardius, two monsters in triplet pregnancy, 245
Myeloblastic leukemia, acute, with polycythemia vera; treated with busulfan and phlebotomy, 758
Myocardial infarction
aortic valve replacement; apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
serum enzyme levels after traumatic orthopedic fractures, 868
Myocardial infarction, thromboembolic aspects of, 317
Myoglobinemia: myoglobinuria and acute renal failure with acute polymyositis, 764
Myoglobinuria and Acute Renal Failure with Acute Polymyositis (Pirovino, Neff, and Sharon), 764
Myxoma, cardiac; biochemical analyses and evidence for its neoplastic nature, 29

Narcotic overdose: medical indices of narcotics addiction; rise and fall in New York City, 1963–1977, 727
Narcotics addiction, medical indices of; rise and fall in New York City, 1963–1977, 727
Nasal cavity: esthesioneuroblastoma; treatment by combined craniofacial resection, 84
Neck
anaplastic carcinoma of thyroid, radiation-associated, 874
cervical carotid aneurysms; part I [Recent Advances in Medicine and Surgery], 892
Needle, "skinny," percutaneous transhepatic cholangiography and; tentative appraisal, 204
Neisseria gonorrhoeae, penicillinase-producing; New York City, 1976–1978, 697
Neonatal infection: gonococcal infections in infants and children; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Neoplasm: abdominal pain and renal mass [Correlation Conferences in Radiology and Pathology], 1053
Neoplasms: hypernephroma and hypertension; observations, 865
Neoplastic nature, evidence for its, biochemical analyses and; cardiac myxoma, 29
Nephroblastoma: abdominal pain and renal mass [Correlation Conferences in Radiology and Pathology], 1053
Nephrotomography: hypernephroma and hypertension; observations, 865
Nerves: subclavian vein catherization; part II [Recent Advances in Medicine and Surgery], 732
Nervosa, anorexia [Contemporary Nutrition], 962
Nervous system, central, infections; etiologic and epidemiologic observations in New York State, 1976–1977, 689
Neuroblastoma; intrarenal, mimicking Wilms' tumor, 93
Neurogenic Bladder; Reversal by Stimulation of Thoracic Spinal Cord (Cook, Abbate, Atallah, Pacheco, Kleriga, Saada, and Nidzgorski), 255
Neurologic Problems of Diabetic Lower Extremity (Policoff) [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Neurology
ciguatera fish poisoning, 1080
tardive dyskinesia, 193
Neuropathy: vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Neurosis: death of elderly primigravida in early pregnancy; Charlotte Brontë [History of Medicine], 796
Neurotransmitter: L-dopa and hepatic encephalopathy, 364
New York, alternative for; clinical assistant in private psychiatry, 716
New York area, greater, survey in; high blood pressure treatment facilities [Hypertension: Current Concepts], 754
New York City, exclusive of, twenty-year study in New York State; abortion and mortality study [Maternal Mortality Study] (Symposium), 49
New York City, 1976–1978; penicillinase-producing *Neisseria gonorrhoeae*, 697
New York City, rise and fall in, 1963–1977; medical indices of narcotics addiction, 727
New York State, etiologic and epidemiologic observations in, 1976–1977; central nervous system infections, 689
New York State, mucocutaneous lymph-node syndrome in, 1082
New York, State of, Board of Regents, rules of the, defining unprofessional conduct; October 1978 amendments, 264
New York State, teenage pregnancy and maternal mortality in; maternal mortality study, 226
New York State, twenty-year study in, exclusive of New York City; abortion and mortality study [Maternal Mortality Study] (Symposium), 49
New York, urban, model for providing genetic services in; frontier genetics, 341
Nitroprusside
clinical pharmacology of vasodilators [Hypertension: Current Concepts], 66
questions and answers [Drug Information], 77
Nongonococcal Urethritis (Felman and Nikitas) [Sexually Transmitted Diseases], 904
Nonlymphocytic leukemia, acute, therapy of; I. clinical aspects, 879
Nonlymphocytic leukemia, acute, therapy of; II. biologic characteristics and prediction of response, 885
North American Indian Rock Art; Medical Connotations (Wellmann) [History of Medicine], 1094
North Penn Suit: AMA surrenders to chiropractors, 782
Nucleic acid: antiviral agents; prophylactic and therapeutic, 1001
Nutrients: uses and misuses of recommended dietary allowances [Contemporary Nutrition], 806

Obesity
pickwickian syndrome; combined approach to effective management, 367
transesophageal echocardiography; for assessing ventricular performance, 19
Obstetrics
acardius myelacephalus; two monsters in triplet pregnancy, 245
annual report; 1970–1976 [Maternal Mortality Study] (Symposium), 39
death of elderly primigravida in early pregnancy; Charlotte Brontë [History of Medicine], 796
Obstructive pulmonary disease, chronic, 919
Occlusive arterial disease: vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
October 1978 Amendments; Rules of the Board of Regents State of New York, Defining Unprofessional Conduct (Board of Regents, State of New York), 264
Ocular Melanocytosis and Malignant Melanoma (Seelenfreund

and Freilich), 916
Officer, police, and family, effects of stress on the, 400
Oils: vitamin E [Contemporary Nutrition], 418
Oliver Wendell Holmes: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Open heart surgery
false aneurysm of ascending aorta, 388
transesophageal echocardiography; for assessing ventricular performance, 19
Opening Remarks (Gitlow) [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1019
Ophthalmia: gonococcal infections in infants and children; medical and epidemiologic considerations [Sexually Transmitted Diseases], 1063
Ophthalmology: ocular melanocytosis and malignant melanoma, 916
Oral contraceptives, associated with; primary malignant liver tumors, 321
Oral contraceptives: questions and answers [Drug Information], 77
Organic brain disease: tardive dyskinesia, 193
Orgasm, inhibition of ejaculation at, 725
Orthopedic fractures, traumatic, serum enzyme levels after, 868
Orthopedic surgery
lumbar spinal stenosis; experience at a community hospital, 872
spondylolysis and spondylolisthesis; updated review, 700
Osteosarcoma: calcified thigh mass [Correlation Conferences in Radiology and Pathology], 354
Otitis media: cleft palate patient; otologic management, 333
Otolaryngology: cleft palate patient; otologic management, 333
Otologic abnormalities: cleft palate patient; otologic management, 333
Otologic management; cleft palate patient, 333
Overmanning, confidentiality and, crisis in; British state medicine, 396
Oxygen tension, raised, in mice; effect of prolonged exposure on hemopoietic system, 1010
Oxytocin: maternal deaths due to rupture of uterus [Maternal Mortality Study] (Symposium), 46

Pacemaker introducer, Teflon, embolization; technique of successful retrieval, 925
Paget's disease: calcified thigh mass, 354
Pain, abdominal, and renal mass [Correlation Conferences in Radiology and Pathology], 1053
Palate, cleft, patient; otologic management, 333
Panoperative Safeguards for Carotid Endarterectomy; Part I (Schechter and Acinapura) [Recent Advances in Medicine and Surgery], 54
Panoperative Safeguards for Carotid Endarterectomy; Part II (Schechter and Acinapura) [Recent Advances in Medicine and Surgery], 217
Papain: cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29
Paper photography: early medical photography in America (1839–1883) [History of Medicine], 788
Parasitic infections: foodborne infections; extensive, underestimated, poorly reported public health problem [Public Health News], 359
Pars interarticularis: spondylolysis and spondylolisthesis; updated review, 700
Patient, cleft palate; otologic management, 333
Patient records: October 1978 amendments; rules of the Board of Regents State of New York, Defining Unprofessional Conduct, 264
Patterns, referral, in pediatric cardiology, 1015
Paul Beck Goddard: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Pediatric cardiology, referral patterns in, 1015
Pediatric Fiberoptic Instruments; Application in Removal of Foreign Body in Children's Stomachs (Ghazi, Tan, and Wolff), 384
Pediatric urologic surgery, fluid therapy in, 34
Pediatrics
child health assurance program; study in duplication and fragmentation, 721
G-6-PD deficiency and hyperbilirubinemia; in black American full-term infants, 22
intrarenal neuroblastoma mimicking Wilms' tumor, 93
pickwickian syndrome; combined approach to effective management, 367
Pelvis: endometriosis with ureteric involvement; preoperative sonographic evaluation, 382
Pemphigoid, localized bullous, resembling fixed-drug eruption, 1085
Penicillinase-Producing *Neisseria gonorrhoeae;* New York City, 1976–1978 (Felman and Snyder), 697
Percutaneous Transhepatic Cholangiography and "Skinny" Needle; Tentative Appraisal (Hadas, Wapnick, Grosberg, Suster, Purow, and LeVeen), 204
Perinatal asphyxia: vasa previa; diagnosis and management, 772
Peritonitis, tuberculous; associated with alcoholic liver disease, 922
Petechiae: deep soft-tissue hemangioma of infancy; Kasabach-Merritt syndrome, 373
Peter, Robert: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Pharmacology, clinical, of vasodilators [Hypertension: Current Concepts], 66
Phenothiazine: mental retardation; behavior problems and psychotropic drugs, 709
Phenothiazines: tardive dyskinesia, 193
Phenylbutazone: questions and answers [Drug Information], 77
Phlebotomy, busulfan and, treated with; acute myeloblastic leukemia with polycythemia vera, 758
Photography, early medical, in America (1839–1883) [History of Medicine], 788
Photography, early medical, in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Physician Competence; To Maintain or to Regulate? (Bloom) [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1032
Physician Competence; What is the Problem? What are the Answers? (Derbyshire) [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1028

Primary tumors: soft-tissue sarcoma; trends in treatment, 328
Primigravida, elderly, death of, in early pregnancy; Charlotte Brontë [History of Medicine], 796
Private psychiatry, clinical assistant in; alternative for New York, 716
Probenecid: penicillinase-producing *Neisseria gonorrhoeae;* New York City, 1976–1978, 689
Problem of "Dying with Dignity" (Merkin), 101
Prolapsed Mitral Valve Syndrome (Kohn) [What's New in Specialties?], 238
Prophylactic and therapeutic; antiviral agents, 1001
Propranolol
prolapsed mitral valve syndrome [What's New in Specialties?], 238
questions and answers [Drug Information], 77
Prostate cancer, metabolic pattern and possible mechanisms for its action in; estramustine, 1005
Proteins: antiviral agents; prophylactic and therapeutic, 1001
Psychiatry
British state medicine; crisis in confidentiality and overmanning, 396
effects of stress on the police officer and family, 400
inhibition of ejaculation at orgasm, 725
Psychiatry, private, clinical assistant in; alternative for New York, 716
Psychosocial adaptation; chronic use of anticoagulants, 90
Psychotherapy: anorexia nervosa [Contemporary Nutrition], 962
Psychotropic drugs, behavior problems and; mental retardation, 709
Psychotropic medication: tardive dyskinesia, 193
Public health advisor: epidemiologic approach to control of sexually transmitted disease [Sexually Transmitted Disease], 745
Public Health News (Series), 64, 359, 902
Pulmonary and Retroperitoneal Lymphangiomyomatosis; Clinical and Radiographic Features (Chew and Nouri), 250
Pulmonary disease, chronic obstructive, 919
Pulmonary disease: transesophageal echocardiography; for assessing ventricular performance, 19
Punishment, rehabilitation versus; disabled physician [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1025

Questions and Answers [Drug Information], 77
Quinic acid: questions and answers [Drug Information], 77

Radiation: soft-tissue sarcoma; trends in treatment, 328
Radiation-associated; anaplastic carcinoma of thyroid, 874
Radical mastectomy: surgical treatment of breast cancer [Recent Advances in Medicine and Surgery], 211
Radiculopathy: neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Radiographic features, clinical and; pulmonary and retroperitoneal lymphangiomyomatosis, 250
Radiology: hypernephroma and hypertension; observations, 865
Radiotherapy: surgical treatment of breast cancer [Recent Advances in Medicine and Surgery], 211
Raised Oxygen Tension in Mice; Effect of Prolonged Exposure on Hemopoietic System (Siegel, Chalon, Brown, Amirdivani, Turndorf, and Rothblatt), 1010
Recent Advances in Medicine and Surgery (Series), 54, 211, 217, 346, 732, 892, 1042
Recertification: physician competence; to maintain or to regulate? [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1032
Recommended dietary allowances, uses and misuses of [Contemporary Nutrition], 806
Rectal cultures: asymptomatic male gonorrhea in military personnel, 27
Red snapper: ciguatera fish poisoning, 1080
Referral Patterns in Pediatric Cardiology (Post, Sondheimer, Kavey, and Blackman), 1015
Rehabilitation and Treatment of Diabetic Foot (Symposium), 188
Rehabilitation versus punishment; disabled physician [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1025
Remission: therapy of acute nonlymphocytic leukemia; I. clinical aspects, 879
Renaissance pathfinder, sixteenth-century, portrait of a; Guillaume de Baillou, M.D. (1538–1616) [History of Medicine], 406
Renal amyloidosis, heroin addiction with; amyloid fibrils in urinary sediment, 768
Renal angiography: hypernephroma and hypertension; observations, 865
Renal failure, acute, with acute polymyositis, myoglobinuria and, 764
Renal failure, acute; with spontaneous arteriovenous fistula, 913
Renal mass, abdominal pain and [Correlation Conferences in Radiology and Pathology], 1053
Report, annual; 1970–1976 [Maternal Mortality Study] (Symposium), 39
Resection, craniofacial, combined, treatment by; esthesioneuroblastoma, 84
Retardation, mental; behavior problems and psychotropic drugs, 709
Retroperitoneal lymphangiomyomatosis, pulmonary and; clinical and radiographic features, 250
Reye's syndrome: central nervous system infections; etiologic and epidemiologic observations in New York State, 1976–1977,

689
Ringer's solution: aortic valve replacement; apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
Robert Peter: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Rock art, North American Indian; medical connotations [History of Medicine], 1094
Rocky Mountain Spotted Fever; Epidemiologic and Clinical Features [Public Health News], 64
Rosettes: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Rubella and Measles; Immunity Among Inner City Adolescents (Jaffe and Morgenthau), 37
Rupture of uterus, maternal deaths due to [Maternal Mortality Study] (Symposium), 46
Rupture, splenic, in infectious mononucleosis with circulating histiocytes, 96

Safeguards, panoperative, for carotid endarterectomy; part I [Recent Advances in Medicine and Surgery], 54
Salmonellosis: food-borne disease I [Contemporary Nutrition], 146
Sarcoma, soft-tissue; trends in treatment, 328
Sarcomatous degeneration: calcified thigh mass [Correlation Conferences in Radiology and Pathology], 354
School athletic emergencies, first aid for [School Health], 1058
School Health (Series), 1058
Screening and methodologies, hypertension, follow-up of; improving blood pressure normalization [Hypertension: Current Concepts], 231
Screw type, improved; esophageal dilator, 25
Secret life of Doctor Blank, the, 933
Secretory otitis media: cleft palate patient; otologic management, 333
Sediment, urinary, amyloid fibrils in; heroin addiction with renal amyloidosis, 768
Septicemia, post-tonsillectomy anaerobic, 763
Septum aneurysm, membranous, mitral valve duplication associated with; embryogenesis of atrioventricular valve duplication, 260
Serosurvey: rubella and measles; immunity among inner city adolescents, 37
Serum: complement-mediated factors in cellular lysis [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 854
Serum complement: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Serum Enzyme Levels After Traumatic Orthopedic Fractures (D'Angelo, Benda, Haroon, and Quirke), 868
Serum glutamic oxaloacetic transaminase: serum enzyme levels after traumatic orthopedic fractures, 868
Serum lipid levels: questions and answers [Drug Information], 77
Serum toxoplasma titer, high; immunoblastic lymphadenopathy, 241
Sexual health: vitamin E [Contemporary Nutrition], 418
Sexual Problems of Geriatric Patient (Zimring) [Geriatrics], 752
Sexually Transmitted Diseases (Series), 745, 904, 1063
Sheath: Teflon pacemaker introducer embolization; technique of successful retrieval, 925
Shunt, ventriculo-peritoneal, subdural empyema secondary to, 375
Siblings, three, in; trisomy 21 Down's syndrome, 929
Simplex, herpes, virus infections, 179
Sinus, coronary, with left atrium, communication of, 1077
Sinuses: esthesioneuroblastoma; treatment by combined craniofacial resection, 84
Situs inversus, with; acute cholecystitis, 253
Slavek Suit: AMA surrenders to chiropractors, 782
Small-vessel disease: vascular problems [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Soft-tissue hemangioma of infancy, deep; Kasabach-Merritt syndrome, 373
Soft-tissue Sarcoma; Trends in Treatment (Karakousis, Lopez, Rao, and Holyoke), 328
Somnolence: pickwickian syndrome; combined approach to effective management, 367
Sonographic evaluation, preoperative; endometriosis with ureteric involvement, 382
Sonography: hypernephroma and hypertension; observations, 865
Specialization: physician competence; to maintain or to regulate? [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1032
Specialty listings: October 1978 amendments; rules of the Board of Regents State of New York, Defining Unprofessional Conduct, 264
Specialty societies: AMA surrenders to chiropractors, 782
Spectinomycin: penicillinase-producing *Neisseria gonorrhoeae;* New York City, 1976–1978, 697
Sphincter: neurogenic bladder; reversal by stimulation of thoracic spinal cord, 255
Spinal cord, thoracic, reversal by stimulation of; neurogenic bladder, 255
Spinal stenosis, lumbar; experience at a community hospital, 872
Spine injuries: first aid for school athletic emergencies [School Health], 1058
Spine: neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Splenic Rupture in Infectious Mononucleosis with Circulating Histiocytes (Enck and Woll), 96
Split personalities: North American Indian rock art; medical connotations [History of Medicine], 1094
Spondylolisthesis, spondylolysis and; updated review, 700
Spondylolysis and Spondylolisthesis; Updated Review (Kestler), 700
Spotted fever, Rocky Mountain; epidemiologic and clinical features [Public Health News], 64
Sprains: first aid for school health emergencies [School Health], 1058
Staffs, medical, individual hospitals and, guidelines for; determination of medical staff membership and hospital privileges, 395
Staphylococcus: food-borne disease I [Contemporary Nutrition], 146
Stenosis, lumbar spinal; experience at a community hospital, 872
Stereography: early medical photography in America (1839–1883) [History of Medicine], 788
Stomachs, children's, foreign body in, application in removal of; pediatric fiberoptic instruments, 384
Stress, effects of, on the police officer and family, 400
Stroke care, fundamentals of (Book Review) [Geriatrics], 73
Stroke: sexual problems of geriatric patient [Geriatrics], 752
Stuffy nose: mucocutaneous lymph-node syndrome in New York State, 1082
Subclavian Vein Catheterization; Part I (Schechter and Acinapura) [Recent Advances in Medicine and Surgery], 346
Subclavian Vein Catheterization; Part II (Schechter and Acinapura) [Recent Advances in Medicine and Surgery], 732
Subdural Empyema Secondary to Ventriculo-Peritoneal Shunt (Tahmouresie), 375
Suffolk County, illusion or reality in; arthropod-borne viral encephalitides [Public Health News], 902
Suicide and transition; Flavius Josephus [Medical Arts and Letters], 937
Superior vena cava: subclavian vein catheterization; part I [Recent Advances in Medicine and Surgery], 346
Surgery, pediatric urologic, fluid therapy in, 34
Surgery

lumbar spinal stenosis; experience at a community hospital, 872
subclavian vein catheterization; part I [Recent Advances in Medicine and Surgery], 346
Surgical disease: acute cholecystitis; with situs inversus, 253
Surgical Treatment of Breast Cancer (Lesnick) [Recent Advances in Medicine and Surgery], 211
Survey in greater New York area; high blood pressure treatment facilities [Hypertension: Current Concepts], 754
Syphilis: epidemiologic approach to control of sexually transmitted disease [Sexually Transmitted Disease], 745

T cells: lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
Tardive dyskinesia: mental retardation; behavior problems and psychotropic drugs, 709
Tardive Dyskinesia (Paulson), 193
Teenage pregnancy and maternal mortality in New York State; maternal mortality study, 226
Teflon Pacemaker Introducer Embolization; Technique of Successful Retrieval (Weinsaft, Khan, and Piccone), 925
Tension, raised oxygen, in mice; effect of prolonged exposure on hemopoietic system, 1010
Tetanus: medical indices of narcotics addiction; rise and fall in New York City, 1963–1977, 727
Tetracycline: Rocky Mountain spotted fever; epidemiologic and clinical features [Public Health News], 64
The Secret Life of Doctor Blank (Tangdelius), 933
Therapeutic, prophylactic and; antiviral agents, 1001
Therapy, fluid, in pediatric urologic surgery, 34
Therapy of Acute Nonlymphocytic Leukemia; I. Clinical Aspects (Preisler and Higby), 879
Therapy of Acute Nonlymphocytic Leukemia; II. Biologic Characteristics and Prediction of Response (Preisler, Rustum, and Epstein), 885
Thiazide: questions and answers [Drug Information], 77
Thigh mass, calcified [Correlation Conferences in Radiology and Pathology], 354
Thioridazine: mental retardation; behavior problems and psychotropic drugs, 709
Thoracic spinal cord, stimulation of, reversal by; neurogenic bladder, 255
Thrombocytopenia: deep soft-tissue hemangioma of infancy; Kasabach-Merritt syndrome, 373
Thromboembolic Aspects of Myocardial Infarction (Wright and Alonso), 317
Thrombosis: neurologic problems of diabetic lower extremity [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 188
Thyroid, anaplastic carcinoma of; radiation-associated, 874
Ticks: Rocky Mountain spotted fever; epidemiologic and clinical features [Public Health News], 64
Ticrynafen: questions and answers [Drug Information], 77
Timolol: questions and answers [Drug Information], 77
Tintype: early medical photography in America (1839–1883) [History of Medicine], 788
Titer, toxoplasma, high serum; immunoblastic lymphadenopathy, 241
Tocopherol: vitamin E [Contemporary Nutrition], 418
Tonsillectomy: post-tonsillectomy anaerobic septicemia, 763
Tourniquet: soft-tissue sarcoma; trends in treatment, 328
Towler, John: early medical photography in America (1839–1883); II. physicians and early photography [History of Medicine], 943
Toxicity: therapy of acute nonlymphocytic leukemia; II. biologic characteristics and prediction of response, 885
Toxins: foodborne infections; extensive, underestimated, poorly reported public health problem [Public Health News], 359
Toxoplasma titer, serum, high; immunoblastic lymphadenopathy, 241
Tracheobraonchial tree: subclavian vein catheterization; part II [Recent Advances in Medicine and Surgery], 732
Tracheostomy: chronic obstructive pulmonary disease, 919
Training, supervised clinical year of, ("Fifth Pathway"), six years' experience with; Americans studying medicine abroad, 774
Tranquilizers
mental retardation; behavior problems and psychotropic drugs, 709
tardive dyskinesia, 193
Transducer: transesophageal echocardiography; for assessing ventricular performance, 19
Transesophageal Echocardiography; For Assessing Ventricular Performance (Matsumoto, Oka, Lin, Strom, Sonnenblick, and Frater), 19
Transhepatic cholangiography, percutaneous, and "skinny" needle; tentative appraisal, 204
Trauma
cervical carotid aneurysms; part I [Recent Advances in Medicine and Surgery], 892
fluid therapy in pediatric urologic surgery, 34
Traumatic orthopedic fractures, serum enzyme levels after, 868
Travelers' diarrhea: questions and answers [Drug Information], 77
Treatment facilities, high blood pressure; survey in greater New York area [Hypertension: Current Concepts], 754
Triplet pregnancy, two monsters in; acardius myelacephalus, 245
Trisomy 21 Down's Syndrome; In Three Siblings (Frohlich, Schonhaut, and Tortora), 929
Tuberculous Peritonitis; Associated with Alcoholic Liver Disease (McMillen and Arnold), 922
Tumor
cytophilic antibody and cancer therapy; review and postulate, 849
deep soft-tissue hemangioma of infancy; Kasabach-Merritt syndrome, 373
esthesioneuroblastoma; treatment by combined craniofacial resection, 84
lymphocyte functions in cancer [Immunologically-Activated Processes in Cell Killing and Cancer] (Symposium), 856
pulmonary retroperitoneal lymphangiomyomatosis; clinical and radiographic features, 250
Tumor, Wilms', intrarenal neuroblastoma mimicking, 93
Tumors
atypical appendiceal carcinoid, 98
cardiac myxoma; biochemical analyses and evidence for its neoplastic nature, 29
fluid therapy in pediatric urologic surgery, 34
hypernephroma and hypertension; observations, 865
multiple colorectal carcinomas; management and biologic considerations, 1088
soft-tissue sarcoma; trends in treatment, 328
surgical treatment of breast cancer [Recent Advances in Medicine and Surgery], 211
Tumors, liver, primary malignant; association with oral contraceptives, 321
Typical physician: the secret life of Doctor Blank, 933

Unprofessional conduct, defining, rules of the Board of Regents State of New York; October 1978 amendments, 264
Unscrupulous Physician; Our Success and Failure (Murawski) [Medical Discipline: Dealing with Physicians Who Are Unscrupulous, Disabled, and/or Incompetent] (Symposium), 1021
Urban New York, model for providing genetic services in; frontier genetics, 341
Uremic Ileus; Uremia Presenting Colonic Obstruction (Rubenstein, Lantz, Stevens, and Spira), 248
Ureteric involvement, endometriosis with; preoperative sonographic evaluation, 382
Urethral discharge: penicillinase-producing *Neisseria gonorrhoeae;* New York City, 1976–1978, 697
Urethritis: asymptomatic male gonorrhea in military personnel, 27
Urethritis, nongonococcal [Sexually Transmitted Diseases], 904
Urinary problems: questions and answers [Drug Information], 77

Urinary sediment, amyloid fibrils in; heroin addiction with renal amyloidosis, 768
Urogenital Drawings by Leonardo da Vinci (Schutte and Herman) [History of Medicine], 402
Urography: hypernephroma and hypertension; observations, 865
Urologic surgery, pediatric, fluid therapy in, 34
Urology: asymptomatic male gonorrhea in military personnel, 27
Uses and Misuses of Recommended Dietary Allowances (Harper) [Contemporary Nutrition], 806
Uterus, rupture of, maternal deaths due to [Maternal Mortality Study] (Symposium), 46
Uveal pigment: ocular melanocytosis and malignant melanoma, 916

Valve, aortic replacement; apparent superiority of potassium plus hypothermia arrest over hypothermia arrest alone, 196
Valve, mitral, duplication associated with membranous septum aneurysm; embryogenesis of atrioventricular valve duplication, 260
Valve, prolapsed mitral, syndrome [What's New in Specialties?], 238
Valve replacement: false aneurysm of ascending aorta, 388
Valvular disease, mitral and aortic, in elderly, 378
Vasa Previa: Diagnosis and Management (Tejani, Tejani, Weiss, and Nathanson), 772
Vasodilators, clinical pharmacology of [Hypertension: Current Concepts], 66
Vascular Problems (Lippman) [Rehabilitation and Treatment of Diabetic Foot] (Symposium), 190
Vein catheterization, subclavian; part I [Recent Advances in Medicine and Surgery], 346
Vein catheterization, subclavian; part II [Recent Advances in Medicine and Surgery], 732
Vena cava
  subclavian vein catheterization; part I [Recent Advances in Medicine and Surgery], 346
  Teflon pacemaker introducer embolization; technique of successful retrieval, 925
Venereal disease
  epidemiologic approach to control of sexually transmitted disease [Sexually Transmitted Disease], 745
  penicillinase-producing *Neisseria gonorrhoeae*; New York City, 1976–1978, 697
Venesection: bloodletting; its beginning and end [History of Medicine], 271
Ventilatory failure: chronic obstructive pulmonary disease, 919
Ventricular performance, assessing, for; transesophageal echocardiography, 19
Ventriculo-peritoneal shunt, subdural empyema secondary to, 375
Vera, polycythemia, acute myeloblastic leukemia with; treated with busulfan and phlebotomy, 758
Vertebra: spondylolysis and spondylolisthesis; updated review, 700
Viral encephalitides, arthropod-borne; illusion or reality in Suffolk County? [Public Health News], 902
Viral infections: foodborne infections; extensive, underestimated, poorly reported public health problem [Public Health News], 359
Virility: vitamin E [Contemporary Nutrition], 418
Virus: central nervous system infections; etiologic and epidemiologic observations in New York State, 1976–1977, 689
Virus infections, herpes simplex, 179
Viruses: antiviral agents; prophylactic and therapeutic, 1001
Vitamin C: questions and answers [Drug Information], 77
Vitamin E (The Institute of Food Technologists' Expert Panel on Food Safety & Nutrition and the Committee on Public Information) [Contemporary Nutrition], 418
Vitamins: megavitamin therapy [Contemporary Nutrition], 278

Weight loss: anorexia nervosa [Contemporary Nutrition], 962
Welfare, human, defenders of; William Blake (1757–1827), poet, and Charles Dickens (1812–1870), novelist [History of Medicine], 112
Wet-plate process: early medical photography in America (1839–1883) [History of Medicine], 788
What's New in Specialties? (Series), 63, 238, 357
William Blake (1757–1827), poet, and Charles Dickens (1812–1870), novelist; defenders of human welfare [History of Medicine], 112
Wilms' tumor: abdominal pain and renal mass [Correlation Conferences in Radiology and Pathology], 1053
Wilms' tumor, intrarenal neuroblastoma mimicking, 93

X-ray: North American Indian rock art; medical connotations [History of Medicine], 1094

Trustees

LYNN R. CALLIN, M.D., Monroe, *Chairman*
DAVID KERSHNER, M.D., Kings
PAUL M. DELUCA, M.D., Broome
GEORGE L. COLLINS, JR., M.D., Erie
ARTHUR H. DIEDRICK, M.D., Westchester
RALPH S. EMERSON, M.D., Nassau
BERNARD J. PISANI, M.D., New York

The Council is composed of the officers, the councilors, and the chairman of the Board of Trustees.

Headquarters

420 Lakeville Road, Lake Success, New York 11042
Tel. 516-488-6100

Staff

HENRY I. FINEBERG, M.D.
Executive Vice-President

EDWARD SIEGEL, M.D.
Deputy Executive Vice-President

New York State Journal of Medicine

Abdominal aorta
Atheromatous embolization to lower limbs, 1180
Abdominal ultrasonography
Intestinal pseudopathology: abdominal and pelvic ultrasonography (CR), 1909
Abraham Hartog Israels, M.D.
Abraham Hartog Israels, M.D., 1822–1883: Netherlands' first professor in the history of medicine (HIST), 1445
Abstracts and reports of proceedings, New York Society for Thoracic Surgery (symposium)
Carcinoma of lung: indications for surgery, 2033
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Lung cancer: surgical significance of mediastinal lymph-node metastases, 2036
Myocardial protection during coronary surgery: controlled comparison of hypothermic hyperkalemic cardioplegic arrest to intermittent aortic arrest, 2043
Acetabulum
Radiology of Charnley hip arthroplasty, 1368
Acinetobacter anitratum
Bronchopneumonia and endocarditis: caused by Acinetobacter anitratum (Herellea vaginicola) (CR), 1434
Acoustic neuroma
Trigeminal neuralgia symptomatic of acoustic neuroma (CR), 1436
Address by James H. Sammons, M.D.
Address by James H. Sammons, M.D., Executive Vice President of the American Medical Association to the Council of the Medical Society of the State of New York, March 22, 1979 (ED), 1350
Adenocarcinoma
Sudden onset of right flank pain and syncope (CPC), 1399
Adenoidectomy
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019
Adenoma
Normal parathormone level with primary hyperparathyroidism: clinical profile (CR), 2071
Adenosine triphosphate
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Adolescence
Functional psychosis in adolescence: primary physician's role in diagnosis (CR), 1237
Aged
Long-term tube feeding in the aged (CR), 1226
Air safety
Air safety: role of family physician, 1694
Albumin
Drug information: questions and answers (DI), 1569
Alcohol ingestion
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Alcoholism
Alcoholism: prevalence in general hospital emergency room and walk-in clinic, 1533
Allergy
Breast milk (CN), 1808
Food allergy (CN), 2134
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019
Ambrotypes
Early medical photography in America (1839-1883) (HIST), 1931
Amebiasis
Sexually transmitted enteric pathogens in New York City (STD), 1412
American Indian
Smallpox and American Indian (HIST), 1945
American Psychiatric Association
Statement of the American Psychiatric Association: before the Subcommittee on Government Information and Individual Rights, 2088
Aminophylline
Unusual cause of theophylline toxicity (CR), 1232
Ammonia
Pneumatosis coli following treatment with lactulose (CR), 1896
Amniotic fluid
Amniotic fluid lecithin and phosphatidylglycerol: value in predicting development of neonatal respiratory distress syndrome in pregnant diabetic patients: pilot study, 2015
Spontaneous rupture of membranes: rapid strip tests for detection, 1849
Ampicillin
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis (STD), 1563
Anaphylactoid reaction
Anaphylactoid reaction: associated with intravenous administration of 5-fluorouracil (CR), 1750
Anaphylaxis
Anaphylaxis: consequence of yew (Taxus) needle ingestion (CR), 1576
Anastomosis
Anastomotic aneurysms: complicating arterial reconstruction for lower extremity, 1177
Andrew Taylor Still
Early frontier medicine (HIST), 1792
Anemia
Chronic microangiopathic hemolytic anemia: association with Escherichia coli infections (CR), 1763
Anesthesia
Inguinal hernia repair: comparison of local, epidural, and general anesthesia, 1730
Anesthesiology
Carbon dioxide laser surgery of larynx: anesthetic technique (CR), 1235
Correct placement of endotracheal tubes, 1843
Aneurysm
Atheromatous embolization to lower limbs, 1180
Isolated aneurysm of internal iliac artery: producing rectal bleeding (CR), 1884
Pancreatoduodenal arteriovenous fistula (CR), 2086
Aneurysms
Anastomotic aneurysms: complicating arterial reconstruction for lower extremity, 1177
Angina pectoris
Duration and treatment of diabetes: relationship to severity of coronary artery disease, 1683
Angiosarcoma
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Animal bites
Pasteurella multocida septicemia (CR), 1581
Ankylosing spondylitis
Ankylosing spondylitis with cardiac dysrhythmia: pathologic changes in cardiac conduction system (CR), 1585
Anniversary reaction
Anniversary reaction: unusual anniversaries in medical practice (CR), 1597
Annual convention
Awards given at the annual convening of the House of Delegates (ED), 2001
Anorexia nervosa
Thoughts of parent caring for patient with anorexia nervosa (LE), 1346
Antepartum fetal demise
False negative oxytocin challenge test result: review, 1537
Anticonvulsant therapy
Pathologic dorsal compression fractures: related to anticonvulsant therapy and hemodialysis (CR), 1417
Antihypertensive treatment
Excessive treatment (LE), 1638
Aorta
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Aortic arrest
Myocardial protection during coronary surgery: controlled comparison of hypothermic hyperkalemic cardioplegic arrest to intermittent aortic arrest, 2043
Aortic graft
Aortic graft enteric fistula: plea for early diagnosis and surgical intervention, 2024
Arrhythmia
Arrhythmia (LE), 1322
Arrhythmia: author's reply (LE), 1322
Arterial reconstruction
Anastomotic aneurysms: complicating arterial reconstruction for lower extremity, 1177
Arteriography
Atheromatous embolization to lower limbs, 1180
Arteriosclerosis
Chronic complications of diabetes mellitus, 2005
Arteriovenous fistula
Pancreatoduodenal arteriovenous fistula (CR), 2086
Arteriovenous malformation
Left and right coronary artery-pulmonary artery fistula: unusual arteriovenous malformation (CR), 1774
Artery
Atheromatous embolization to lower limbs, 1180
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: part I

(REV), 1391
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II (REV), 1542
Left and right coronary artery-pulmonary artery fistula: unusual arteriovenous malformation (CR), 1774
Arthroplasty
Radiology of Charnley hip arthroplasty, 1368
Aspergillus osteomyelitis
Aspergillus osteomyelitis of sternum after cardiac surgery (CR), 1420
Asthma
Beta-blocking drugs in hypertension (HYP), 2054
Atheroma
Atheromatous embolization to lower limbs, 1180
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593
Atherosclerosis
Sugar and disease (CN), 1632
Atrioventricular block
Ankylosing spondylitis with cardiac dysrhythmia: pathologic changes in cardiac conduction system (CR), 1585
Autogenous bone
Experimental bony defects: comparative effect of particulate autogenous bone and reconstituted collagen gels on healing, 1856
Awards
Awards given at the annual convening of the House of Delegates (ED), 2001
Babylonia
The epic of Gilgamesh: resolution of concepts of evil and death in ancient Babylonia (HIST), 1618
Back
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Bacterial infections
Bronchopneumonia and endocarditis: caused by Acinetobacter anitratum (Herellea vaginicola) (CR), 1434
Beckwith-Wiedemann syndrome
Medullary sponge kidney and partial Beckwith-Wiedemann syndrome: associated with congenital asymmetry (CR), 1222
Bedsores
Decubitus ulcers in geriatric patients: present status, 2027
Benign osteoblastoma
Benign osteoblastoma of cervical spine (CR), 1424
Benjamin Rush
Benjamin Rush: patriarch reconsidered (HIST), 1449
Beta-blocking drugs
Beta-blocking drugs in hypertension (HYP), 2054
Biliary tree
Clinical evaluation; short overview, 1192
Billroth
Jenny Lind's concert in Gottingen: Billroth's letter to his mother (HIST), 1786
Bioavailability
Bioavailability of nutrients from foods (CN), 1484
Biopsy
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Bladder
Cystourethrography: reversible and irreversible damage to bladder (CR), 2080
Urologic catheter: unusual complications (CR), 1892
Bleeding
Factor XI deficiency in surgical patients, 1360
Isolated aneurysm of internal illiac artery: producing rectal bleeding (CR), 1884
Pancreatoduodenal arteriovenous fistula (CR), 2086
Blood
Work-related exposure to lead: biologic screening of New York State employees, 1852
Blood circulation
Discovery of blood circulation (HIST), 1940
Blood pressure
Renal-cell carcinoma: discovered on hypertension urograms (CR), 1430
Board of Censors
Reflections of past chairman of Board of Censors of the Medical Society of the County of Queens (ED), 1521
Bone
Benign osteoblastoma of cervical spine (CR), 1424
Bone grafts
Experimental bony defects: comparative effect of particulate autogenous bone and reconstituted collagen gels on healing, 1856
Bone immobilization
Acute renal failure: bone immobilization as cause of hypercalcemia (CR), 1887
Bony defects
Experimental bony defects: comparative effect of particulate autogenous bone and reconstituted collagen gels on healing, 1856
Book review
Textbook of Geriatric Medicine and Gerontology (GER), 1410
Books received, annotations of
1290, 1482, 1517, 1702, 1712, 1958, 2123
Books reviewed
A Companion to the Life Sciences (Day), 1289
Basic and Clinical Immunology (Fudenberg, Stiles, Gardner, and Wells), 1516
Beta Hemolytic Streptococcal Diseases (Breese and Hall), 1294
Family Medicine: Principles and Practice (Taylor), 1285
Forgive and Remember: Managing Medical Failure (Bosk), 1516
Julius Preuss' Biblical and Talmudic Medicine (Rosner), 1295
Norethindrone (Pramik), 1516
Orthopaedic Neurology: A Diagnostic Guide to Neurologic Levels (Hoppenfeld), 1758
Practical Diagnosis: Endocrine Disease (Korenman, Granner and Sherman), 1294
Pregnancy Metabolism, Diabetes and the Fetus. Ciba Foundation Symposium 63 (new series), 1754
Prostatic Cancer (Murphy), 1294
Psychiatry in General Medical Practice (Usdin and Lewis, eds.), 1754
Sexual Consequences of Disability (Comfort), 1289
Stroke: A Guide for Patients and Their Families (Sarno and Sarno), 1516
The Medusa and the Snail: More Notes of a Biology Watcher (Thomas), 1294
Botany
Medical botany: note on Constantine Samuel Refinesque (1784–1841) (HIST), 1610
Bowel
Pneumatosis coli following treatment with lactulose (CR), 1896
Brain
Chronic complications of diabetes mellitus, 2005
Breast-feeding
Breast milk (CN), 1808
Bromocriptine mesylate
Bromocriptine mesylate in Parkinson's disease, 1689
Bronchopneumonia
Bronchopneumonia and endocarditis: caused by Acinetobacter anitratum (Herellea vaginicola) (CR), 1434
Bronchospasm
Unusual cause of theophylline toxicity (CR), 1232
Bullae
Urticaria and hypocomplementemia with subepidermal bullae: possible immune complex disease (CR), 2073
Burn-care facilities
Burn-care facilities, 1926
Caffeine
Unusual cause of theophylline toxicity (CR), 1232
Calcification
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Endocarditis: involving calcified mitral annulus fibrosus (CR), 1578
Calcium
Normal parathormone level with primary hyperparathyroidism: clinical profile (CR), 2071
Cancer
Childhood ovarian cancers, 1196
Community cancer-screening clinic: evaluation of experiences, 1703
Oncology services in United States, 1248
Cancer-screening clinic
Community cancer-screening clinic: evaluation of experiences, 1703
Candidiasis
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis (STD), 1563
Capsular cataract
Air safety: role of family physician, 1694
Carbidopa
Bromocriptine mesylate in Parkinson's disease, 1689
Carbohydrate
Bioavailability of nutrients from foods (CN), 1484
Carbon dioxide
Carbon dioxide laser surgery of larynx: anesthetic technique (CR), 1235
Carcinoid tumor
Thymic carcinoid tumor (CR), 1755
Carcinoma
Carcinoma of lung: indications for surgery, 2033
Epidermoid carcinoma of head and neck: high-dose methotrexate in preoperative management, 1384
Penile carcinoma in circumcised males

(CR), 1903
Renal-cell carcinoma: discovered on hypertension urograms (CR), 1430
Thyroid screening program for irradiated population, 1525
Cardiac arrhythmia
Drug information: questions and answers (DI), 1569
Cardiac conduction system
Ankylosing spondylitis with cardiac dysrhythmia: pathologic changes in cardiac conduction system (CR), 1585
Cardiac dysrhythmia
Ankylosing spondylitis with cardiac dysrhythmia: pathologic changes in cardiac conduction system (CR), 1585
Cardiac surgery
Aspergillus osteomyelitis of sternum after cardiac surgery (CR), 1420
Cardioplegia
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Cardioplegic arrest
Myocardial protection during coronary surgery: controlled comparison of hypothermic hyperkalemic cardioplegic arrest to intermittent aortic arrest, 2043
Carotid artery
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: part I (REV), 1391
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II (REV), 1542
Carotid artery atheroma
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593
Cartes de visite
Early medical photography in America (1839-1883) (HIST), 1931
Cataract
Air safety: role of family physician, 1694
Catheter
Urologic catheter: unusual complications (CR), 1892
CAT scanning
Emission tomography, 1355
Celiac angiography
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Cerebral ischemia
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: part I (REV), 1391
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II (REV), 1542
Cervical carotid artery
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: part I (REV), 1391
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II (REV), 1542
Cervical spine
Benign osteoblastoma of cervical spine (CR), 1424
Character
Quintessence of personality (MAL), 1600

Intraperitoneal bleeding
Pancreatoduodenal arteriovenous fistula (CR), 2086
Iron
Breast milk (CN), 1808
Irradiated population
Thyroid screening program for irradiated population, 1525
Ischemia
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: part I (REV), 1391
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II (REV), 1542
Isoporinosine
Drug information: questions and answers (DI), 1569
Japanese culture
Nuchal display among the Japanese, 1784
Jejunoileal bypass
Surgery for morbid obesity: comparison of jejunoileal and gastric bypass (CR), 1227
Jenny Lind's concert
Jenny Lind's concert in Gottingen: Billroth's letter to his mother (HIST), 1786
Judaism
Recombinant DNA, cloning, genetic engineering, and Judaism, 1439
Kidney
Chronic complications of diabetes mellitus, 2005
Idiopathic persistent microscopic hematuria in children: prognostic features, 1714
Medullary sponge kidney and partial Beckwith-Wiedemann syndrome: associated with congenital asymmetry (CR), 1222
Sudden onset of right flank pain and syncope (CPC), 1399
Kidneys
Renal transplantation; therapeutic effectiveness at State University of New York Upstate Medical Center, 1528
Klebsiella
Klebsiella osteoarthritis in prematurity: complication of umbilical artery catheterization (CR), 2077
Lactulose
Pneumatosis coli following treatment with lactulose (CR), 1896
Larynx
Carbon dioxide laser surgery of larynx: anesthetic technique (CR), 1235
Laser surgery
Carbon dioxide laser surgery of larynx: anesthetic technique (CR), 1235
Law enforcement agencies
Statement of the American Psychiatric Association: before the Subcommittee on Government Information and Individual Rights, 2088
Lead exposure
Work-related exposure to lead: biologic screening of New York State employees, 1852
Lecithin
Amniotic fluid lecithin and phosphatidylglycerol: value in predicting development of neonatal respiratory distress syndrome in pregnant diabetic patients: pilot study, 2015
Leg
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Legionnaires' disease
Legionnaires' disease(s?): overview, 1206
Sporadic Legionnaires' disease (CR), 2069
Leiomyomatosis
Intravenous leiomyomatosis: diagnosis and management (CR), 1905
Leiomyosarcoma
Recurrent gastrointestinal bleeding (CPC), 1210
Lesion
Benign osteoblastoma of cervical spine (CR), 1424
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593
Dense depsoit disease in tuberculosis (CR), 2084
Inflammatory fibrous polyps of small intestine (CR), 1589
Pasteurella multocida septicemia (CR), 1581
Penile carcinoma in circumcised males (CR), 1903
Lesions
Aortic graft enteric fistula: plea for early diagnosis and surgical intervention, 2024
Carcinoma of lung: indications for surgery, 2033
Condylomata acuminata (STD), 1747
Epidermoid carcinoma of head and neck: high-dose methotrexate in preoperative management, 1384
Letters to the Editor
AMA surrenders to chiropractors, 1341
A review of the literature, 1803
Arrhythmia, 1322
Arrhythmia: author's reply, 1322
Chiropractors: author's reply, 1341
Darwin's imagery of a wedging force, 2136
Discipline and keeping abreast in medicine, 1642
Excessive treatment, 1638
Generic substitution law, 2136
Genital herpes virus infections, 1964
Genital herpes virus infections: author's reply, 1964
Health education, 1964
Health education: associate editor's reply, 1964
International year of child; challenge to physicians, 1996
Legionnaire's disease, 1964
Maternal mortality, 1341
Narcotic register, 1805
Narcotic register: authors' reply, 1805
Neural arch and pedicle, 1345
Neural arch and pedicle: author's reply, 1345
Physicians in private practice and referrals to consultant dietitians, 1642
Physicians in private practice and referrals to consultant dietitians, 1642
Recommendations concerning consultant dietitians in private practice, 1644
Recommendations concerning consultant dietitians in private practice, 1644
Second opinion and unnecessary surgery, 1638
Sexually transmitted diseases, 1963
Sexually transmitted diseases: author's reply, 1963
Sickness of hospitals survival requires major medical planning not band-aid, 1320
Syphilis serology, 1649
The need for funds for health research: yet excessive military funds are obtaining priority, 1802
Thoughts of parent caring for patient with anorexia nervosa, 1346
Utilization review and community mental health, 1638
Levodopa
Bromocriptine mesylate in Parkinson's disease, 1689
Lidocaine
The many causes of tennis elbow, 1363
Lipids
Bioavailability of nutrients from foods (CN), 1484
Litigation
Statement of the American Psychiatric Association: before the Subcommittee on Government Information and Individual Rights, 2088
Little water medicine
The "great good medicine" (HIST), 1603
Liver
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Loa loa
Loiasis in Westchester County (CR), 1882
Lobectomy
Carcinoma of lung: indications for surgery, 2033
Loiasis
Loiasis in Westchester County (CR), 1882
Lower extremity
Anastomotic aneurysms: complicating arterial reconstruction for lower extremity, 1177
Lower limbs
Atheromatous embolization to lower limbs, 1180

Lung cancer
Carcinoma of lung: indications for surgery, 2033
Lung cancer: surgical significance of mediastinal lymph-node metastases, 2036
Lung densities
Multiple infiltrating lung densities (RPC), 2050
Lymph-node metastasis
Lung cancer: surgical significance of mediastinal lymph-node metastases, 2036
Thymic carcinoid tumor (CR), 1755
Lymph node syndrome
Mucocutaneous lymph node syndrome: in Upstate New York (CR), 1772
Lymphoma
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Macroangiopathy
Chronic complications of diabetes mellitus, 2005
Malignant lymphoma
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Malnutrition
Sugar and disease (CN), 1632
Maternal mortality
Maternal mortality (LE), 1341
Mediastinal lymph-node metastases
Lung cancer: surgical significance of mediastinal lymph-node metastases, 2036
Mediastinal mass
Superior mediastinal and neck masses (RPC), 1552
Medicaid on-site program
Medicaid on-site program: first year in New York State, 2093
Medicaid reimbursement
Gonococcal pelvic inflammatory disease: economic impact in New York, Medicaid 1975, 1728
Medical Arts and Letters (series)
Quintessence of personality, 1600
S. Weir Mitchell, M.D. (1829–1914): neurologic and psychiatric observations in "The Case of George Dedlow," 1777
Medical botany
Medical botany: note on Constantine Samuel Refinesque (1784–1841) (HIST), 1610
Medical education
Continuing medical education: format preference in northwestern New York, 1240
Discipline and keeping abreast in medicine (LE), 1642
Family practice residency programs: in New York State, 1869
Resurrect Flexner (ED), 1679
Medical facility
From poorhouse to medical facility: genesis of Onondaga County Infirmary (HIST), 1612
Medical photography
Early medical photography in America (1839—1883): III. the daguerrean era (HIST), 1256
Early medical photography in America (1839-1883) (HIST), 1931
Medical planning
Sickness of hospitals survival requires major medical planning not band-aid (LE), 1320
Medical records
Statement of the American Psychiatric Association: before the Subcommittee on Government Information and Individual Rights, 2088
Medical Society of the County of Queens
Reflections of past chairman of Board of Censors of the Medical Society of the County of Queens (ED), 1521
Medical Society of the State of New York
Board of Trustees 1978–1979, 1466
Bylaws, 2101
Committees 1978—1979, 1274
Councilors 1978–1979, 1466
Officers 1978–1979, 1465
Medical Society of the State of New York, Annual Convention
Auxiliary to MSSNY, 1317
Committees, 1300
Preliminary convention schedule, 1299
Scientific program, 1302
Spouse programs, 1318
Technical exhibits, 1314
Medical Society of the State of New York, House of Delegates
House committee on bylaws, 1468
Members, 1460
Nominating committee, 1464
Schedule of sessions, 1459
Medical teacher
Abraham Hartog Israels, M.D., 1822–1883: Netherlands' first professor in the history of medicine (HIST), 1445
Medicine's chief enemy
Who is medicine's chief enemy? The physician! (ED), 1521
Membership
Address by James H. Sammons, M.D., Executive Vice President of the American Medical Association to the Council of the Medical Society of the State of New York, March 22, 1979 (ED), 1350
Membrane rupture
Spontaneous rupture of membranes: rapid strip tests for detection, 1849
Membranoproliferative glomerulonephritis
Dense depsoit disease in tuberculosis (CR), 2084
Metastasis
Lung cancer: surgical significance of mediastinal lymph-node metastases, 2036
Methotrexate
Epidermoid carcinoma of head and neck: high-dose methotrexate in preoperative management, 1384
Metoprolol
Beta-blocking drugs in hypertension (HYP), 2054
Metronidazole
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis (STD), 1563
Microangiopathic hemolytic anemia
Chronic microangiopathic hemolytic anemia: association with Escherichia coli infections (CR), 1763
Microangiopathy
Chronic complications of diabetes mellitus, 2005
Military funds
The need for funds for health research: yet excessive military funds are obtaining priority (LE), 1802
Mineral oil
Drug information: questions and answers (DI), 1569
Minerals
Bioavailability of nutrients from foods (CN), 1484
Mitral valve annulus
Endocarditis: involving calcified mitral annulus fibrosus (CR), 1578
Morbid obesity
Surgery for morbid obesity: comparison of jejunoileal and gastric bypass (CR), 1227
Mortality
The epic of Gilgamesh: resolution of concepts of evil and death in ancient Babylonia (HIST), 1618
Mucocutaneous lymph node syndrome
Mucocutaneous lymph node syndrome: in Upstate New York (CR), 1772
Museum stuff
Museum stuff (HIST), 1453
Mutation
Recombinant DNA, cloning, genetic engineering, and Judaism, 1439
Myocardial infarction
Beta-blocking drugs in hypertension (HYP), 2054
Myocardial protection
Myocardial protection during coronary surgery: controlled comparison of hypothermic hyperkalemic cardioplegic arrest to intermittent aortic arrest, 2043
Myth
The epic of Gilgamesh: resolution of concepts of evil and death in ancient Babylonia (HIST), 1618

Nape
Nuchal display among the Japanese, 1784
Narcotic register
Narcotic register (LE), 1805
Narcotic register: authors' reply (LE), 1805
Neck
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II (REV), 1542
Epidermoid carcinoma of head and neck: high-dose methotrexate in preoperative management, 1384
Nuchal display among the Japanese, 1784
Thyroid screening program for irradiated population, 1525
Neck mass
Superior mediastinal and neck masses (RPC), 1552
Necrosis
Atheromatous embolization to lower limbs, 1180
Needle
Percutaneous transhepatic cholangiography: using thin flexible needle, 1194
Neonates
Amniotic fluid lecithin and phosphatidylglycerol: value in predicting development of neonatal respiratory distress syndrome in pregnant diabetic patients: pilot study, 2015
Klebsiella osteoarthritis in prematurity: complication of umbilical artery catheterization (CR), 2077
Neoplasm
Recurrent gastrointestinal bleeding (CPC), 1210
Sudden onset of right flank pain and syncope (CPC), 1399
Thymic carcinoid tumor (CR), 1755

Nephrectomy
Renal-cell carcinoma: discovered on hypertension urograms (CR), 1430
Nephrology
Chronic renal failure in children: effect of biochemical derangements on growth and therapeutic rationale, 1719
Idiopathic persistent microscopic hematuria in children: prognostic features, 1714
Nephropathy
Chronic complications of diabetes mellitus, 2005
Nervous system
Chronic complications of diabetes mellitus, 2005
Netherlands' first professor
Abraham Hartog Israels, M.D., 1822–1883: Netherlands' first professor in the history of medicine (HIST), 1445
Neural arch
Neural arch and pedicle (LE), 1345
Neural arch and pedicle
Neural arch and pedicle: author's reply (LE), 1345
Neuralgia
Trigeminal neuralgia symptomatic of acoustic neuroma (CR), 1436
Neurofibroma
Superior mediastinal and neck masses (RPC), 1552
Neurology
Bromocriptine mesylate in Parkinson's disease, 1689
S. Weir Mitchell, M.D. (1829–1914): neurologic and psychiatric observations in "The Case of George Dedlow" (MAL), 1777
Neuroma
Trigeminal neuralgia symptomatic of acoustic neuroma (CR), 1436
Neuropathy
Chronic complications of diabetes mellitus, 2005
Neuropsychiatric symptoms
Huntington's disease, 1188
Neurosis
Anniversary reaction: unusual anniversaries in medical practice (CR), 1597
Nitrofurantoin
Drug information: questions and answers (DI), 1569
Nodes
Carcinoma of lung: indications for surgery, 2033
Lung cancer: surgical significance of mediastinal lymph-node metastases, 2036
Northwestern New York
Continuing medical education: format preference in northwestern New York, 1240
Nuchal display
Nuchal display among the Japanese, 1784
Nutrients
Bioavailability of nutrients from foods (CN), 1484
Nutrition
Chronic renal failure in children: effect of biochemical derangements on growth and therapeutic rationale, 1719
Nystatin
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis (STD), 1563
Obesity
Sugar and disease (CN), 1632
Surgery for morbid obesity: comparison of jejunoileal and gastric bypass (CR), 1227

Obstetric patients
Unregistered obstetric patients: factor in perinatal losses in regionalized perinatal network, 1374

Obstetrics
Spontaneous rupture of membranes: rapid strip tests for detection, 1849

Obstructive jaundice (symposium)
Clinical evaluation; short overview, 1192
Percutaneous transhepatic cholangiography: using thin flexible needle, 1194

Occupational medicine
Work-related exposure to lead: biologic screening of New York State employees, 1852

Ocular surgery
Pars plana vitrectomy: current techniques (REV), 1734

O'Dwyer tubes
Museum stuff (HIST), 1453

Oncology services
Oncology services in United States, 1248

Onondaga County Infirmary
From poorhouse to medical facility: genesis of Onondaga County Infirmary (HIST), 1612

Open-heart surgery
Aspergillus osteomyelitis of sternum after cardiac surgery (CR), 1420

Ophthalmology
Air safety: role of family physician, 1694
Pars plana vitrectomy: current techniques (REV), 1734

Opiate-withdrawal syndrome
Drug information: questions and answers (DI), 1569

Oral cavity
Epidermoid carcinoma of head and neck: high-dose methotrexate in preoperative management, 1384

Orchiectomy
Epidermoid cysts of testes (CR), 1428

Organic nature
Charles Darwin's vision of organic nature: "a force like a hundred thousand wedges" (HIST), 1622

Organ transplantation
Renal transplantation; therapeutic effectiveness at State University of New York Upstate Medical Center, 1528

Orthopedic surgery
Pathologic dorsal compression fractures: related to anticonvulsant therapy and hemodialysis (CR), 1417
The many causes of tennis elbow, 1363

Osteoarthritis
Klebsiella osteoarthritis in prematurity: complication of umbilical artery catheterization (CR), 2077

Osteoblastoma
Benign osteoblastoma of cervical spine (CR), 1424

Osteomyelitis
Aspergillus osteomyelitis of sternum after cardiac surgery (CR), 1420

Osteopenia
Pathologic dorsal compression fractures: related to anticonvulsant therapy and hemodialysis (CR), 1417

Otitis
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019

Otolaryngology
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019
Trigeminal neuralgia symptomatic of acoustic neuroma (CR), 1436

Ovarian cancers
Childhood ovarian cancers, 1196

Oxytocin challenge test
False negative oxytocin challenge test result: review, 1537

Paget's disease
Solitary abnormal vertebra (RPC), 1407

Pancreatoduodenal artery
Pancreatoduodenal arteriovenous fistula (CR), 2086

Papillomavirus
Condylomata acuminata (STD), 1747

Paralysis
Familial periodic paralysis and hyperparathyroidism (CR), 1770

Parathormone
Normal parathormone level with primary hyperparathyroidism: clinical profile (CR), 2071

Parkinson's disease
Bromocriptine mesylate in Parkinson's disease, 1689

Pars plana vitrectomy
Pars plana vitrectomy: current techniques (REV), 1734

Pasteurella multocida
Pasteurella multocida septicemia (CR), 1581

Pathogens
Sexually transmitted enteric pathogens in New York City (STD), 1412

Pathologic dorsal compression fractures
Pathologic dorsal compression fractures: related to anticonvulsant therapy and hemodialysis (CR), 1417

Patient care
Doctor, how's your patient's care? (ED), 2001

Patient grievances
Reflections of past chairman of Board of Censors of the Medical Society of the County of Queens (ED), 1521

Pediatric hospital
Employee health screening: in pediatric hospital, 1708

Pediatrics
Idiopathic persistent microscopic hematuria in children: prognostic features, 1714

Pedicle
Neural arch and pedicle (LE), 1345

Pelvic inflammatory disease
Gonococcal pelvic inflammatory disease: economic impact in New York, Medicaid 1975, 1728

Pelvic ultrasonography
Intestinal pseudopathology: abdominal and pelvic ultrasonography (CR), 1909

Pemphigus vulgaris
Pemphigus vulgaris and herpes simplex (CR), 1760

Penicillin
Questions physicians ask concerning syphilis serologies (STD), 2063
Sporadic Legionnaires' disease (CR), 2069

Penis
Penile carcinoma in circumcised males (CR), 1903

Perinatal losses
Unregistered obstetric patients: factor in perinatal losses in regionalized perinatal network, 1374

Perinatal network
Unregistered obstetric patients: factor in perinatal losses in regionalized perinatal network, 1374

Personality
Quintessence of personality (MAL), 1600

Phenytoin
Drug information: questions and answers (DI), 1569

Phosphatidylglycerol
Amniotic fluid lecithin and phosphatidylglycerol. value in predicting development of neonatal respiratory distress syndrome in pregnant diabetic patients: pilot study, 2015

Photography
Early medical photography in America (1839—1883): III. the daguerrean era (HIST), 1256
Early medical photography in America (1839-1883) (HIST), 1931

Physician incompetence
Coping with physician incompetence, 1921

Physician-patient relationship
Informed Consent: past, present, and future?, 1918

Plaque
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593

Plastic surgery
Role of trauma in facial disfigurement, 1379
Platelet counts
Thrombocytosis in histiocytosis X, 1845
Plexiform neurofibroma
Superior mediastinal and neck masses (RPC), 1552
Pneumatosis coli
Pneumatosis coli following treatment with lactulose (CR), 1896
Pneumonia
Sporadic Legionnaires' disease (CR), 2069
Pneumonitis
Legionnaires' disease(s?): overview, 1206
Podophyllin
Condylomata acuminata (STD), 1747
Polyps
Inflammatory fibrous polyps of small intestine (CR), 1589
Poorhouse
From poorhouse to medical facility: genesis of Onondaga County Infirmary (HIST), 1612
Potassium blood cardioplegia
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Prednisone
Urticaria and hypocomplementemia with subepidermal bullae: possible immune complex disease (CR), 2073
Pregnancy
Amniotic fluid lecithin and phosphatidylglycerol: value in predicting development of neonatal respiratory distress syndrome in pregnant diabetic patients: pilot study, 2015
False negative oxytocin challenge test result: review, 1537
Unregistered obstetric patients: factor in perinatal losses in regionalized perinatal network, 1374
Prescriptions
Generic drug substitution law: open letter from Attorney General Robert Abrams, 1243
Generic substitution law (LE), 2136
Pressure sores
Decubitus ulcers in geriatric patients: present status, 2027
Private practice
Physicians in private practice and referrals to consultant dietitians (LE), 1642
Recommendations concerning consultant dietitians in private practice (LE), 1644
Propranolol
Beta-blocking drugs in hypertension (HYP), 2054
Prostatectomy
Factor XI deficiency in surgical patients, 1360
Prosthesis
Aortic graft enteric fistula: plea for early diagnosis and surgical intervention, 2024
Prosthetic devices
Radiology of Charnley hip arthroplasty, 1368
Protein
Bioavailability of nutrients from foods (CN), 1484
Breast milk (CN), 1808
Proteinuria
Idiopathic persistent microscopic hematuria in children: prognostic features, 1714
Pseudopathology
Intestinal pseudopathology: abdominal and pelvic ultrasonography (CR), 1909
PSRO
PSRO: cost versus quality, 1863
Psychiatric records
Statement of the American Psychiatric Association: before the Subcommittee on Government Information and Individual Rights, 2088
Psychiatry
Anniversary reaction: unusual anniversaries in medical practice (CR), 1597
Facial disfigurement and psychiatric sequelae, 1382
Functional psychosis in adolescence: primary physician's role in diagnosis (CR), 1237
S. Weir Mitchell, M.D. (1829–1914): neurologic and psychiatric observations in "The Case of George Dedlow" (MAL), 1777
Yukio Mishima: twentieth century samurai (HIST), 1950
Psychologic conflict
Anniversary reaction: unusual anniversaries in medical practice (CR), 1597
Psychosis
Functional psychosis in adolescence: primary physician's role in diagnosis (CR), 1237
Pulmonary artery fistula
Left and right coronary artery-pulmonary artery fistula: unusual arteriovenous malformation (CR), 1774
Questionnaire
Obtaining history of patient's sexual activities (STD), 1879
Quinidine
Drug information: questions and answers (DI), 1569
Radiation
Air safety: role of family physician, 1694
Childhood ovarian cancers, 1196
Ionizing radiation, 1201
Radiation therapy
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Thyroid screening program for irradiated population, 1525
Radionuclide distribution
Emission tomography, 1355
Rapid strip tests
Spontaneous rupture of membranes: rapid strip tests for detection, 1849
Raynaud's disease
Beta-blocking drugs in hypertension (HYP), 2054
Recent Advances in Medicine and Surgery (series)
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: part I, 1391
Dolichocarotid syndrome: cerebral ischemia related to cervical carotid artery redundancy with kinking: Part II, 1542
Pars plana vitrectomy: current techniques, 1734
Recombinant DNA
Recombinant DNA, cloning, genetic engineering, and Judaism, 1439
Rectal bleeding
Isolated aneurysm of internal iliac artery: producing rectal bleeding (CR), 1884
Rectal disorders
Hemorrhoids: revisited (ED), 1840
Renal-cell carcinoma
Renal-cell carcinoma: discovered on hypertension urograms (CR), 1430
Renal failure
Acute renal failure: bone immobilization as cause of hypercalcemia (CR), 1887
Chronic renal failure in children: effect of biochemical derangements on growth and therapeutic rationale, 1719
Renal transplantation
Renal transplantation; therapeutic effectiveness at State University of New York Upstate Medical Center, 1528
Reperfusion
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Residency programs
Family practice residency programs: in New York State, 1869
Respiratory distress syndrome
Amniotic fluid lecithin and phosphatidylglycerol: value in predicting development of neonatal respiratory distress syndrome in pregnant diabetic patients: pilot study, 2015
Respiratory infections
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019
Retinopathy
Chronic complications of diabetes mellitus, 2005
Retroperitoneal hematoma
Sudden onset of right flank pain and syncope (CPC), 1399
Review of literature
A review of the literature (LE), 1803
Right flank pain
Sudden onset of right flank pain and syncope (CPC), 1399
Right to die
A patient's right to die...the easy way out? (ED), 1680
Right upper quadrant
Discomfort in epigastrium, right upper quadrant, and back (CPC), 1555
Roentgenograms
Ionizing radiation, 1201
Rupture
Pancreatoduodenal arteriovenous fistula (CR), 2086

"Salt-poor" albumin
Drug information: questions and answers (DI), 1569
Samurai
Yukio Mishima: twentieth century samurai (HIST), 1950
Second opinion
Second opinion and unnecessary surgery (LE), 1638
Septic arthritis
Klebsiella osteoarthritis in prematurity: complication of umbilical artery catheterization (CR), 2077
Septicemia
Pasteurella multocida septicemia (CR), 1581

Serologic test
Syphilis serology (LE), 1649
Serologic tests
Questions physicians ask concerning syphilis serologies (STD), 2063
Sporadic Legionnaires' disease (CR), 2069
Serum digoxin levels
Drug information: questions and answers (DI), 1569
Sexual history
Obtaining history of patient's sexual activities (STD), 1879
Sexually transmitted diseases
Sexually transmitted diseases (LE), 1963
Sexually transmitted diseases: author's reply (LE), 1963
Sexually Transmitted Diseases (series)
Condylomata acuminata, 1747
Genital herpesvirus infections, 1216
Obtaining history of patient's sexual activities, 1879
Questions physicians ask concerning syphilis serologies, 2063
Sexually transmitted enteric pathogens in New York City, 1412
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis, 1563
Sexually transmitted enteric pathogens
Sexually transmitted enteric pathogens in New York City (STD), 1412
Shigellosis
Sexually transmitted enteric pathogens in New York City (STD), 1412
Sigmoid colon
Urologic catheter: unusual complications (CR), 1892
Skin diseases
Pemphigus vulgaris and herpes simplex (CR), 1760
Skin ulcer
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Small intestine
Inflammatory fibrous polyps of small intestine (CR), 1589
Smallpox
Smallpox and American Indian (HIST), 1945
Sodium iodide
Cystourethrography: reversible and irreversible damage to bladder (CR), 2080
Sonography
Clinical evaluation; short overview, 1192
Specialties
Who is medicine's chief enemy? The physician! (ED), 1521
Spine
Benign osteoblastoma of cervical spine (CR), 1424
Pathologic dorsal compression fractures: related to anticonvulsant therapy and hemodialysis (CR), 1417
Spironolactone
Drug information: questions and answers (DI), 1569
Spondylitis
Ankylosing spondylitis with cardiac dysrhythmia: pathologic changes in cardiac conduction system (CR), 1585
Stenosis
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593
Sternum
Aspergillus osteomyelitis of sternum after cardiac surgery (CR), 1420
Stool-softening agent
Drug information: questions and answers (DI), 1569
Striatum
Huntington's disease, 1188
Stroke
Beta-blocking drugs in hypertension (HYP), 2054
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593
Sugar
Sugar and disease (CN), 1632
Suicide
Yukio Mishima: twentieth century samurai (HIST), 1950
Surgery
Anastomotic aneurysms: complicating arterial reconstruction for lower extremity, 1177
Atheromatous embolization to lower limbs, 1180
Carbon dioxide laser surgery of larynx: anesthetic technique (CR), 1235
Childhood ovarian cancers, 1196
Surgery for morbid obesity: comparison of jejunoileal and gastric bypass (CR), 1227
S. Weir Mitchell, M.D.
S. Weir Mitchell, M.D. (1829–1914): neurologic and psychiatric observations in "The Case of George Dedlow" (MAL), 1777
Symptoms
Quintessence of personality (MAL), 1600
Syncope
Sudden onset of right flank pain and syncope (CPC), 1399
Syphilis
Syphilis serology (LE), 1649
Syphilis serologies
Questions physicians ask concerning syphilis serologies (STD), 2063
Systemic poisoning
Anaphylaxis: consequence of yew (Taxus) needle ingestion (CR), 1576
Taxus needle ingestion
Anaphylaxis: consequence of yew (Taxus) needle ingestion (CR), 1576
Tennis elbow
The many causes of tennis elbow, 1363
Terminal care
Hospice: why all this interest?, 1913
Terminally ill patient
Hospice program: law, guidelines, and implementation, 1244
Testes
Epidermoid cysts of testes (CR), 1428
Tetracycline
Questions physicians ask concerning syphilis serologies (STD), 2063
"The Case of George Dedlow"
S. Weir Mitchell, M.D. (1829–1914): neurologic and psychiatric observations in "The Case of George Dedlow" (MAL), 1777
The epic of Gilgamesh
The epic of Gilgamesh: resolution of concepts of evil and death in ancient Babylonia (HIST), 1618
Theophylline toxicity
Unusual cause of theophylline toxicity (CR), 1232
Thrombocytosis
Thrombocytosis in histiocytosis X, 1845
Thrombus
Carotid artery atheroma with organized thrombus: symptomatic of expanding intracranial mass lesion (CR), 1593
Thymic carcinoid
Thymic carcinoid tumor (CR), 1755
Thyroid carcinoma
Thyroid screening program for irradiated population, 1525
Thyroid screening program
Thyroid screening program for irradiated population, 1525
Tine test
Employee health screening: in pediatric hospital, 1708
Tintypes
Early medical photography in America (1839-1883) (HIST), 1931
Titers
Questions physicians ask concerning syphilis serologies (STD), 2063
Tomography
Emission tomography, 1355
Tonsillectomy
Factor XI deficiency in surgical patients, 1360
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019
Toxicity
Unusual cause of theophylline toxicity (CR), 1232
Trachea
Correct placement of endotracheal tubes, 1843
Transhepatic cholangiography
Percutaneous transhepatic cholangiography: using thin flexible needle, 1194
Transplants
Renal transplantation; therapeutic effectiveness at State University of New York Upstate Medical Center, 1528
Trauma
Pancreatoduodenal arteriovenous fistula (CR), 2086
Role of trauma in facial disfigurement, 1379
Treatment
Chronic renal failure in children: effect of biochemical derangements on growth and therapeutic rationale, 1719
Trephine holes
Experimental bony defects: comparative effect of particulate autogenous bone and reconstituted collagen gels on healing, 1856
Trichomoniasis
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis (STD), 1563
Trigeminal neuralgia
Trigeminal neuralgia symptomatic of acoustic neuroma (CR), 1436
Tube feeding
Long-term tube feeding in the aged (CR), 1226
Tuberculosis
Dense depsoit disease in tuberculosis (CR), 2084
Employee health screening: in pediatric hospital, 1708
Tumor
Carcinoma of lung: indications for surgery, 2033
Epidermoid carcinoma of head and neck: high-dose methotrexate in preoperative management, 1384
Gastrinoma of duodenum: diagnosis by endoscopy (CR), 1766
Intravenous leiomyomatosis: diagnosis and management (CR), 1905
Sudden onset of right flank pain and syncope (CPC), 1399

Thymic carcinoid tumor (CR), 1755
Tumors
Benign osteoblastoma of cervical spine (CR), 1424
Childhood ovarian cancers, 1196
Epidermoid cysts of testes (CR), 1428
Inflammatory fibrous polyps of small intestine (CR), 1589
Recurrent gastrointestinal bleeding (CPC), 1210

Ulcer
Cutaneous malignant lymphoma: skin ulcer of lower leg (CR), 1414
Ulcers
Decubitus ulcers in geriatric patients: present status, 2027
Ultrasonography
Intestinal pseudopathology: abdominal and pelvic ultrasonography (CR), 1909
Umbilical artery catheterization
Klebsiella osteoarthritis in prematurity: complication of umbilical artery catheterization (CR), 2077
Unnecessary surgery
Second opinion and unnecessary surgery (LE), 1638
Unregistered obstetric patients
Unregistered obstetric patients: factor in perinatal losses in regionalized perinatal network, 1374
Urinary tract
Urologic catheter: unusual complications (CR), 1892
Urinary tract infections
Chronic microangiopathic hemolytic anemia: association with Escherichia coli infections (CR), 1763
Urograms
Renal-cell carcinoma: discovered on hypertension urograms (CR), 1430
Urologic catheter
Urologic catheter: unusual complications (CR), 1892
Urology
Cystourethrography: reversible and irreversible damage to bladder (CR), 2080
Urticaria
Urticaria and hypocomplementemia with subepidermal bullae: possible immune complex disease (CR), 2073
Uterus
Intravenous leiomyomatosis: diagnosis and management (CR), 1905
Utilization review
PSRO: cost versus quality, 1863
Utilization review and community mental health (LE), 1638

Vagina
Spontaneous rupture of membranes: rapid strip tests for detection, 1849
Vaginitis
Trichomoniasis, candidiasis, and Corynebacterium vaginale vaginitis (STD), 1563
Venereal warts
Condylomata acuminata (STD), 1747
Ventricular function
Clinical use of potassium blood cardioplegia: preservation of adenosine triphosphate, ultrastructure, and ventricular function following aortic crossclamping and reperfusion, 2042
Ventricular septum
Aspergillus osteomyelitis of sternum after cardiac surgery (CR), 1420
Vertebra
Solitary abnormal vertebra (RPC), 1407
Viral infections
Drug information: questions and answers (DI), 1569
Virology
Tonsillectomy, adenoidectomy, and otitis: the real world, 2019
Virus
Genital herpesvirus infections (STD), 1216
Vision
Air safety: role of family physician, 1694
Vitamin C
Vitamin C and the common cold (CN), 1292
Vitamins
Bioavailability of nutrients from foods (CN), 1484
Vitrectomy
Pars plana vitrectomy: current techniques (REV), 1734
Walk-in clinic
Alcoholism: prevalence in general hospital emergency room and walk-in clinic, 1533
Wart virus
Condylomata acuminata (STD), 1747
Weight loss
Thoughts of parent caring for patient with anorexia nervosa (LE), 1346
Wet-plate era
Early medical photography in America (1839-1883) (HIST), 1931
William Beaumont
Early frontier medicine (HIST), 1792
William Worrall Mayo
Early frontier medicine (HIST), 1792
Work-related lead exposure
Work-related exposure to lead: biologic screening of New York State employees, 1852
Yew needle ingestion
Anaphylaxis: consequence of yew (Taxus) needle ingestion (CR), 1576
Yukio Mishima
Yukio Mishima: twentieth century samurai (HIST), 1950
Zollinger-Ellison syndrome
Gastrinoma of duodenum: diagnosis by endoscopy (CR), 1766

MEDICAL SOCIETY OF THE STATE OF NEW YORK
ORGANIZED 1807
